INTRODUCTION: WHAT'S NEW IN BULLETIN 4^

We are excited to share more details about the 26th World Scout Jamboree with you!

To make it easier to find what's new and what has changed, we have introduced color coding in this update. The coding works as follows:

- If we add text in an already existing subpage, we will **colour it green**. As you can see in this introduction.
- If a new subpage is released, the subpage is released with *** in the** title and formatted normally
- If we have to change anything in a text, the page will be marked **with ^** in the title. Text, that is not relevant or correct anymore will be marked with a strikethrough, like this: ~~lorem ipsum~~

Any indication of changes in the text that happened in the previous release of the Bulletin will be removed. In this edition, previously highlighted changes from the last Bulletin will appear as regular text.

In this update, you will find additional information about:

- Detailed arrival logistics
- IST free time
- Detailed site map
- Cargo information
- The Jamboree detailed programme
- Information about the pre-Jamboree task

If you have any questions, please feel free to contact the Jamboree organisation via contingents@wsj2027.pl. We will do our best to respond to you within three working days.

INVITATIONS

Invitation from WOSM`s Secretary General

Dear Heads of Contingent and National Scout Organization leadership,

For more than 100 years since the very first World Scout Jamboree in 1920, these global gatherings have remained one of the most transformative educational experiences for Scouts. They are a bridge to Scouting's rich history and an eye-opener for future generations. Jamborees offer young people opportunities for adventure, learning, intercultural dialogue and friendship in an environment that celebrates the strength and unity of the Scout Movement worldwide.

I am very pleased to invite participants from all of World Scouting's Member Organizations to join us for the 26th World Scout Jamboree in 2027, which will take place on Sobieszewo Island in Gdańsk, Poland hosted by Związek Harcerstwa Polskiego (ZHP).

The Jamboree will once again gather tens of thousands of young people and volunteers from across the globe for a once-in-a-lifetime experience. Guided by the theme "Bravely", the event will invite us all to explore with courage, embrace new challenges, and belong to something bigger than ourselves. The Jamboree offers Scouts a unique opportunity to embark on a truly international adventure, engage in meaningful cross-cultural exchanges, and experience the warm hospitality of Poland.

The planning and delivery of the 2027 Jamboree is guided by our new WOSM Events Strategy which was approved at the 43rd World Scout Conference. This includes a key focus on safeguarding and risk management, committing to environmentally sustainable practices, and making sure that the Jamboree is inclusive, accessible and impactful for everyone attending.

As a key element of the WOSM Events Strategy, the World Scout Committee and the Host are conducting an in-depth review of the Jamboree planning, including the event's risk profile and mitigation measures. These reviews will continue to take place at regular intervals as the Jamboree approaches and will be complemented by independent audits of critical aspects of the planning process. A first report from this review will be shared in early 2026 with Heads of Contingents and NSO leadership to ensure you remain fully and transparently informed.

World Scouting is committed to working hand-in-hand with ZHP, National Scout Organizations, and our network of trusted partners to deliver a truly memorable and positive experience for all. Your role as Heads of Contingent is absolutely essential to achieve these aims by equipping adult leaders and young people with the knowledge and skills to make the most of their Jamboree experience.

I look forward to seeing you in Gdańsk and welcoming your Contingents to Poland in 2027!

Yours in Scouting,

David Berg, Secretary General, World Scouting

Invitation from the World Scout Committee

Dear Heads of Contingent and National Scout Organization leadership,

Since the first World Scout Jamboree in 1920, Scouting events have offered transformative educational experiences for young people and volunteers everywhere, while also strengthening the unity of the Scout Movement worldwide. As we look ahead to one of the major Scouting events happening this triennium, I invite you to join us in 2027 for the 26th World Scout Jamboree being held in Gdańsk, Poland and hosted by Związek Harcerstwa Polskiego (ZHP).

This Jamboree will be a historic event coinciding with the 120th anniversary of the Scout Movement, and bringing together tens of thousands of young people and volunteers from around the world. The Jamboree will be a unique opportunity to celebrate and experience the diversity and unity of international Scouting, forge lifelong friendships, and engage in meaningful cultural exchanges. I still look back fondly at my own transformative experience participating at the 20th World Scout Jamboree in Thailand. Through adventure activities and hands-on learning, participants will build new skills that will enable them to be ready for life and contribute to their communities as leaders and global citizens.

In recent years, the landscape of large-scale international youth events has evolved significantly. The increasing focus on safety, safeguarding, sustainability, and resilience in the face of climate change and global challenges has required us to rethink and enhance the way we deliver WOSM Events. As we prepare for the 26th World Scout Jamboree, World Scouting is committed to working alongside ZHP, Member Organizations, and our global partners to ensure we deliver high-quality and safe experience for all participants and volunteers. We also aim to provide clear and transparent guidance to National Scout Organizations to prepare their Contingents, and uphold our commitment to sustainability and environmental responsibility as part of our climate impact strategy.

The Jamboree's theme, *Bravely!*, calls on us to explore, overcome challenges, and celebrate the bonds that unite us as a global community. As leaders of National Scout Organizations and Contingents, your role is instrumental in bringing this experience to life for thousands of young people and volunteers from all around the world, many of whom will be embarking on their first international Scouting journey.

I wish you all the very best in your preparations for the event as you engage your Contingents, and as we come together — bravely — to create an unforgettable experience for everyone involved in the 26th World Scout Jamboree. See you in Poland in 2027!

Yours in Scouting,

Daniël Corsen
Chairperson

Invitation from the Jamboree Team

Dear Friends and Colleagues,

Another exciting chapter in the history of Scouting is set to unfold. In 2027, on the 120th anniversary of our Movement, we will come together in Gdańsk, Poland to celebrate the 26th World Scout Jamboree. At Związek Harcerstwa Polskiego (ZHP), the Polish Scouting and Guiding Association, we are dedicated to making this event safe, educational, transformative, and truly memorable. Scouts from around the world will gather to celebrate the ties that unite our communities, countries, and cultures. For some participants, the Jamboree will be the first trip outside their home countries. We will also welcome many first-time volunteers.

The motto for the Jamboree is "Bravely!". We will bravely explore the world around us, overcome challenges, and rejoice in a community connected by our Scouting values.

Since being entrusted by the World Scout Conference with hosting the Jamboree back in 2021, the ZHP has been hard at work, along with the Jamboree Planning Team, an international and intergenerational community of volunteers. Together with our partners at the World Scout Committee, the World Scout Bureau, the host city, and the host region, we will conduct the Jamboree in the most sustainable manner possible. I warmly thank my friends and colleagues from our partner organisations for this collaborative effort.

I assure our Member Organisations that we will assist you at every stage of preparing your national contingents. We will be your guides, transparently updating you regarding the progress of our preparations and the challenges that may accompany them. We want the Jamboree to be an adventure and an educational experience for our youth and adult participants, the national contingent teams and the International Service Team.

It is a great honour and commitment to plan the Jamboree. Together — BRAVELY — we will create an incredible and transformative experience for the young leaders of tomorrow. On behalf of the ZHP, I invite you to Poland for the 26th World Scout Jamboree in 2027. Let us meet in three years' time to bravely build a better world together.

Yours in Scouting,

Karol Gzyl

Executive Director, World Scout Jamboree 2027

Invitation from the ZHP Chief Commissioner

Dear Friends in Scouting,

With great joy and pride, I invite you to the 26th World Scout Jamboree, which will be held in 2027 in Gdańsk. Hosting this event is a great honour for the Polish Scouting and Guiding Association (ZHP) and, above all, a significant commitment.

This will be your World Scout Jamboree, in Poland. We all must make every effort to ensure it is the best it can be. I am delighted that Scouts from Poland will have the opportunity to meet Scouts from all over the world. International cooperation enriches Scouting. At ZHP, we believe that everyone, from young people to experienced leaders, is a host of the World Scout Jamboree. It is a great honour and a unique opportunity to share our culture and experiences, creating memories that we will recount around campfires for years to come!

The theme of the 26th World Scout Jamboree, "Bravely!", reminds us that regardless of age, we can explore the world with courage, overcome challenges, and enjoy a community based on our Scouting values.

Together — BRAVELY — let's create an amazing educational experience for future leaders of the world.

Be prepared or Czuwaj!

Martyna Kowacka
ZHP Chief Commissioner

Invitation from the Mayor of Gdańsk

Dear Scouts from around the world,

In three years' time, I will have the pleasure of welcoming you personally to Gdańsk, on Wyspa Sobieszewska. Here, in the Host City Team, we have been working diligently to support ZHP in making the 26th World Scout Jamboree 2027 a safe and welcoming event.

I am sure that you will feel at home in Gdańsk. We will make every effort to ensure that your two weeks spent on the picturesque Wyspa Sobieszewska, surrounded by the historic sites of Gdańsk and in the culturally rich Pomeranian region, will be unforgettable.

For us, the people of Gdańsk, the values promoted by Scouting — solidarity and brotherhood, equality, diversity and inclusion — are very important. I am delighted that we will have the opportunity to show you our daily work that is consistent with the city's motto: *Nec temere, nec timide* — 'Neither rashly nor timidly.'

See you in Gdańsk!

Aleksandra Dulkiewicz
Mayor of Gdańsk

Invitation from the Marshal of Pomorskie Voivodeship

Dear Scout Friends,

It is a great honour for the Pomorskie Voivodeship that our region and the City of Gdańsk are hosting the 26th World Scout Jamboree in 2027. Scouting provides young people with the opportunity to meet and collaborate with individuals from diverse backgrounds and cultures, enabling them to become active citizens and leaders. The programme for the 26th World Scout Jamboree 2027, which will gather tens of thousands of guests from all over the world, includes many fascinating activities and events, allowing participants to experience a unique adventure.

At the same time, this gathering is an unparalleled opportunity to promote the wonderful world of Scouting among the local community and region — a movement open to all young people, regardless of their background or beliefs.

I hope that all countries will accept the invitation to participate in this extraordinary event, making it rich in diversity and experiences.

Join us and create unforgettable memories with Scouts from around the world.

Welcome to Poland, welcome to Pomorskie!

Mieczysław Struk

Marshal of the Pomorskie Voivodeship

POLAND: MEET OUR HOST

Poland, Pomorskie, Gdańsk

Poland

The Republic of Poland is a country in Central Europe and a member state of the European Union. Its territory extends from the beaches along the Baltic Sea in the north to the Sudetes and Carpathian Mountains in the south. The population of about 36.8 million occupies an area of about 322,000 square kilometres.

Many Poles can speak English, and the country is experienced in organising big events, such as the UEFA Euro 2012 and World Youth Day 2016. Poland has a modern transportation infrastructure and an extensive network of bus, rail, and air connections, both international and domestic, with affordable prices.

The currency is Polish Złoty. International credit cards are accepted, and mobile payments are widespread and accessible. Polish shops carry a wide range of goods, with food suitable for various diets and the essentials you may need while traveling.

Poland is also renowned for its rich cultural heritage and historical significance. The country is home to numerous UNESCO World Heritage Sites, including the medieval old towns of Kraków and Toruń, the Castle of the Teutonic Order in Malbork, and the Auschwitz-Birkenau concentration camp.

Gdańsk

Boasting a tradition of over 1,000 years, Poland's maritime capital, Gdańsk, is one of the largest ports on the Baltic Sea and a unique metropolis marked by a spirit of freedom and courage. The city's motto perfectly captures the essence of this former Hanseatic city, encouraging us to live "neither rashly nor timidly."

As you wander through the charming streets of this maritime city, marvel at the meticulously restored buildings and colorful facades lining the famous Long Market. Explore the captivating history of the Solidarność movement at the European Solidarity Centre.

With its enchanting atmosphere, fascinating museums, and delightful waterfront promenades, Gdańsk welcomes Scouts from all over the world seeking an unforgettable adventure in Poland.

Gdańsk has a well-developed transit system and many bike paths. You can hop on and off the Rapid Urban Rail and buses within the city. Trams will take you to the city beaches (15 minutes from the city centre), buses will take you to the Tricity Landscape Park (25 minutes from the city centre), the Rapid Urban Rail takes just 20 minutes to reach Sopot, a neighbouring city famous for its health resorts, and extending the ride by 10 minutes will take you to Gdynia (a port city).

Pomorskie: Discover the Region

Wide sandy beaches and forested areas, few hundred of lakes and rivers, as well as fields filled with gifts of nature, those are just a few of advantages of Pomorskie region. Everyone, who comes here will be able to use all of those. Pomorskie is a Host Region for the 26th World Scout Jamboree.

Moving Dunes

In the Slowinski National Park every day there is a special spectacle, whose main characters are sand and the wind. The biggest dune is 40 metres high – Gora Lacka, they move around several metres per year, covering the nearby forest. The nearby forest is as mysterious as the dunes, full of broken by the wind trees, showing how the ecosystem works. Some kayak paths end here, like those from Leba and Lupawa rivers.

Check What is Inside the Sea Depth

Those who love the sea life have to visit the Sealplace of the Sea Institute of Gdansk University department of Oceanography in Hel and the Sea Aquarium in Gdynia. The Sealplace in Hel is mainly a scientific research facility, they want to enlarge the seal population in the Baltic Sea.

The Sea Aquarium in Gdynia on the other hand is housing the most interesting and the rarest kinds of fish, amphibians and reptiles from all over the world, for example Africa and North and South America. There are three floors, 68 enormous aquariums, 1500 living organisms. Sea park in Sarbsk also has a very interesting offer for families, where You can get to know more about the living creatures, that lived in the sea million years ago.

The Sea Inspirations

The longest in Poland sandy beaches, majestic cliffs, sea breeze, special kinds of plants and endless sea – this is what makes Pomorskie special. The richness of the sea gives opportunity to spend Your free time in an active, dynamic or romantic way. Sea sports, it is not just sailing or diving but also windsurfing, kitesurfing, water scooters as well as, pleasure boat or fishing boat trips.

On clean, Baltic beaches it is worth going for horse riding, jogging, nordic walking or just strolling, searching for piece of amber. Walking along the shore You can admire lovely fishing ports with boats, from which You can buy fresh fish. You can also try going for boat fishing trips in the sea. A very interesting element of the see shore are well preserved lighthouses, which were used as navigation signs, now are historical monuments and tourist attractions.

Pomorskie Yacht Ports

Ustka, Leba, Wladyslawowo, Jastarnia, Puck, Gdynia, Gdansk, Gorki Zachodnie. Every sailor should visit those places in order to experience very well equipped bases with all needed facilities, as well as get to know all sea mysteries.

Not Only the Sea

Pomorskie is the region with a big number off lakes and river routes. We may easily say that everybody will find his special place here. Visiting the region by a kayak or boat for sure we shall find plenty of hydrotechnical monuments and many places what will stay in Your memory for a long time. Visiting Gdansk Mail Town by the kayak is something completely different than an ordinary walking tour.

For all water sport lovers there is a number of inland water bases facilities, marines and mooring platforms along the Petla Zulawska (the Low Land Loop). Who prefers the stable land we can offer the bicycle roots, some with an international function (EuroVelo R-9, R-10 and R-13). A very important place on Pomorskie active map are Tucholskie Forests, with the second largest national park in the region with many walking and cycling paths.

Not only Monciak

The most popular walking way among the Pomorksie cities is “Monciak”, a full of life street, called The Heroes of Monte Cassino. The number of cafes, restaurants, clubs, boutiques, galleries and shops located along “Monciak” makes this street a very important location for fun and party activities in the Tricity. In many towns new promenades and renovated streets, river boulevards are being revelled, like in Lebork, Slupsk, Chojnice, Tczew and Kosciierzyna. Those places are inviting You for a walk too.

The architectonic curiosity for an European scale is the pier in Sopot – the longest wooden pier in Europe. The biggest attraction of Sopot is 511,5 metres long and it the landscape attraction since 1827. It is worth also visiting other piers in Brzezno or Orlowo and the sea marina nearby.

Travelling around the Pomorskie region it is also worth going to Slupsk with its Witkacy painting collection at the Pomorskie Duke Castle, The Railway Museum in Kosciierzyna, Kwidzyn with its former Teutonic castle or Wejherowo with its baroque Station of the Cross.

One more attraction of Pomorskie region are the cultural heritage trail, such as: the gothic castle trail, the amber trail, the Cistercian trail, the palaces and mansions of Northern Kashuby trail or the hydrotechnical trail.

On the Water

Kilometres of sandy beaches, the sound of waves and beautiful sunsets, including windsurfing, kitesurfing, diving, yacht cruises and all types of fishing – these are just a few proposals with the Baltic Sea in the background. However, Pomorskie is not only the sea! What do you say on over 30 navigable rivers with a total length of almost 3,000 kilometres? Thanks to the extensive network of water routes and the launch of the Żuławy Loop project, discovering the region from the level of a kayak or a sailboat deck will provide unforgettable impressions to the whole family.

Active

Not for you lazy sunbathing and evening walks along the seaside boulevard? You prefer active resting? No problem! Pomorskie is almost 2 thousand kilometres of bicycle routes, almost 3 thousand kilometres of canoe trails, including hiking through forests and forests, horse riding, Nordic walking and even golf courses and tennis courts. In winter, we will surprise you with ski slopes and sledding rides. Pomeranian for active people – all year round!

Where Are We Inviting You To?

Poland awaits, inviting you to explore its diverse landscapes, rich history, and vibrant culture. Poland has rich fauna and flora and beautiful landscapes full of forests, fields, rivers, and lakes. It is home to 23 protected areas that provide the best opportunities to explore and enjoy the best of Polish scenery.

- Join us as we journey to the Baltic Sea coast, where sandy beaches stretch as far as the eye can see, offering the perfect backdrop for seaside adventures and relaxation.
- Experience the wonders of the Mazury Lake District, a paradise for sailing and kayaking enthusiasts. Navigate through crystal-clear waters surrounded by lush greenery and serene tranquillity.
- Venture into the depths of Białowieża Primeval Forest, a UNESCO World Heritage Site and home to the majestic European bison. Discover the magic of this ancient woodland, where nature thrives undisturbed.
- Uncover the secrets of Poland's medieval past as you explore mysterious castles scattered across the southern and central regions. Immerse yourself in tales of knights, kings, and legends that echo through the ages.
- Challenge yourself to conquer breath-taking mountains, offering panoramic views and exhilarating hiking trails. Feel the thrill of reaching new heights and discovering hidden gems along the way.
- Enrich your mind and soul in the centres of historical education, where the early days of Poland come to life. Immerse yourself in the stories of our ancestors and gain insight into the foundations of our nation.
- Poland today offers a vibrant tapestry of cultural and sports events, showcasing the best of our contemporary society. Indulge in art, music, and cuisine that reflect our rich heritage and dynamic spirit.
- Come and see for yourself the beauty, diversity, and hospitality that Poland has to offer. We can't wait to welcome you with open arms and share unforgettable moments.

Poland – Easy to Access

Gdańsk is served by Lech Wałęsa Airport (GDN), located 12 km from the city centre. The airport has direct flights to most major European air hubs, with a flight time of approximately two hours from London, Paris, Amsterdam or Frankfurt. The city is also well connected to Warsaw, the capital of Poland, by air or high-speed trains.

Moving Around Poland

A high-speed rail trip from Warsaw to Gdańsk takes 2.5 hours. Domestic flight prices are relatively affordable, and there is a modern highway system connecting major cities.

Scouting in Poland

Związek Harcerstwa Polskiego (ZHP), the Polish Scouting and Guiding Association, was founded in 1918 and is one of the largest youth organisations in Poland, with more than 110,000 members (Scouts, Guides, and leaders). The ZHP is a founding member of the World Organization of the Scout Movement (WOSM) and the World Association of Girl Guides and Girl Scouts (WAGGGS).

The ZHP's motto is "Czuwaj!" which means "Be Prepared!".

Scouting in Poland started in 1910. The association grew steadily until 1939, laying sustainable education and programme foundations, as well as becoming one of the largest social and educational movements in the country. During World War II, many Polish Scouts kept their oath and served the nation as resistance fighters. Following WWII, Poland became part of the Communist bloc, and the ZHP was forced to suspend its WOSM and WAGGGS memberships. However, the association retained some independence from the communist regime and carried on its educational mission while preserving and nurturing its pre-war Scouting traditions. In 1995, a small Polish contingent participated in the 18th World Scout Jamboree in the Netherlands. They returned home with a dream to someday host a World Scout Jamboree in Poland. In 1996, following Poland's return to a democratic political system, the ZHP re-joined WOSM and WAGGGS.

The ZHP's mission is to educate and support young people in reaching their full potential. The ZHP provides dynamic, values-based, non-formal educational and leadership training programmes for girls and boys between the ages of 6 and 21. It provides a safe environment for young people to develop their full potential as responsible and active citizens who participate in their local, national, and international communities.

The President of the Republic of Poland has been the honorary patron of Scouting in the country since 1920. Scouting in Poland enjoys high social trust, and Scouts actively participate in local community life, proving that the motto "Be Prepared!" is not just about readiness, but actual service.

Visit Poland

Recommendation for visiting Poland

Poland offers a rich mixture of history, culture, and natural beauty. It is a country where medieval castles sit alongside modern architecture, where you can hike in dramatic mountains one day and relax by a quiet lake the next. And of course, there is the food – hearty, affordable, and deeply satisfying.

Here are some recommendations to help you make the most of your visit.

Start with the Cities

Warsaw – Poland's capital is a fascinating blend of old and new. The Old Town, beautifully rebuilt after the Second World War, is perfect for a relaxed stroll, while the modern city centre showcases skyscrapers, cafés, and vibrant nightlife. For history lovers, the Warsaw Uprising Museum is a must. If you want a quieter moment, enjoy Łazienki Park with its famous Palace on the Water and resident peacocks.

Kraków – A city straight out of a fairy tale. Its medieval Main Square (Rynek Główny) is one of the largest in Europe, full of street performers, flower stalls, and horse-drawn carriages. Wawel Castle and the cathedral offer a glimpse into Poland's royal past, while the Jewish Quarter, Kazimierz, is a lively area with cosy cafés and street art. Don't miss a trip to the Wieliczka Salt Mine nearby – wandering through its underground chambers carved entirely from salt is an unforgettable experience.

Other cities worth mentioning:

- Wrocław with its charming market square and quirky dwarf statues hidden all over town.
- Poznań, known for its Renaissance architecture and lively student scene.
- Lublin, a smaller city full of history and an emerging cultural hub in eastern Poland.

Explore Poland's Nature

If you think Poland is only about cities and history, think again. Its landscapes are varied and surprisingly wild.

- **The Tatra Mountains** – Located in the south, this is Poland's most dramatic mountain range. In summer, hikers enjoy trails with panoramic views, while in winter, Zakopane turns into a skiing hotspot. Even if you don't ski, the wooden highland houses, cheese stalls selling oscypek, and mountain folklore are worth experiencing.
- **Masurian Lakes** – Called "the land of a thousand lakes", this is the perfect place for sailing, kayaking, or simply relaxing by the water.
- **Białowieża Forest** – A UNESCO World Heritage Site, this is one of the last remaining primeval forests in Europe and home to the mighty European bison.
- **The Baltic Coast** – Sandy beaches, seaside resorts like Sopot, and picturesque cliffs near Gdynia make northern Poland a great summer destination.

10 Things to see in Poland

If you are short on time and wondering what the absolute highlights are, here is a quick list of ten must-sees:

1. **Wawel Castle** in Kraków – A symbol of Poland's royal heritage.
2. **Warsaw Old Town** – Rebuilt after WWII, it's a UNESCO site full of charm.
3. **Wieliczka Salt Mine** – Underground chapels and sculptures made entirely of salt.
4. **Auschwitz-Birkenau Memorial and Museum** – A powerful historical site near Kraków.
5. **Malbork Castle** – The world's largest brick castle, built by the Teutonic Knights.
6. **The Tatra Mountains and Zakopane** – For hiking, skiing, and mountain culture.
7. **The Masurian Lake District** – A paradise for water sports and peaceful nature.
8. **Gdańsk's Long Market** – Colourful facades, maritime history, and Baltic charm.
9. **Białowieża Forest** – Europe's last primeval forest and home of the European bison.
10. **Wrocław's Market Square and Dwarfs** – A lively square and a quirky treasure hunt across the city.

This list can be your travel checklist – perfect if you want a taste of Poland's variety in just a few stops.

Taste Poland

Food is one of the best ways to experience Polish culture. Traditional dishes are simple, filling, and often have roots in peasant traditions – but they are delicious.

- **Pierogi** – Dumplings stuffed with a variety of fillings.
- **Bigos** – The famous hunter's stew.
- **Żurek** – Sour rye soup with sausage and egg.
- **Gołąbki** – Cabbage rolls stuffed with rice and meat.
- **Sernik** – Polish cheesecake.
- **Pączki** – Sweet, fluffy doughnuts filled with jam or cream.

Tip: Visit a *bar mleczny* (milk bar) – an affordable canteen offering traditional Polish comfort food.

Discover More

To encourage more travellers to experience Poland, we have prepared a special campaign: "Hard to read, easy to...". The idea comes from the fact that for many people, the Polish language may seem complicated at first glance – with its long words and unique sounds. But don't worry! While Polish might be hard to read, the country itself is easy to love, easy to enjoy, and easy to experience. Through this campaign we want to show that Poland is not only a place full of rich history and deep cultural traditions, but also a modern, welcoming, and vibrant country that opens its doors wide to visitors from around the world.

Check it out, let yourself be inspired, and fall in love with Poland. Because even if the words on a sign may look tricky, the warmth of the people, the beauty of the landscapes, and the richness of the culture will make you feel at home instantly. <https://www.jamboree2027.org/poland/>.

On the Hoc Base, you can find materials that can be used in contingents' social media.

JAMBOREE BASICS

ZHP / SARA EJSMONT

The World Scout Jamboree^

The World Scout Jamboree is a major international event organised by WOSM. Held every four years, it brings together tens of thousands of Scouts, aged 14 to 17, from around the globe to promote cultural exchange, friendship, and adventure. The Jamboree provides a unique opportunity for young people to learn from one another, develop leadership skills, and engage in outdoor activities while embracing the Scouting principles of community service, personal growth, and environmental stewardship.

The Jamboree program includes educational, recreational, and community service activities, such as workshops, team-building exercises, and outdoor pursuits. These experiences help Scouts build a strong sense of global citizenship and foster a deeper understanding of diverse cultures, ultimately contributing to a more peaceful and connected world.

The first World Scout Jamboree was held in 1920 in London, England. Other than being cancelled during the two World Wars and the Iranian Revolution, it has been organised every four years in different locations worldwide.

In 2027, Poland will host the World Scout Jamboree for the first time, in the city of Gdańsk, in Pomorskie Region.

Dates, Participation, Age

The 26th World Scout Jamboree will be held from **30 July to 8 August 2027**. Youth Participants must be between the ages of 14 and 17 at the time of the event (**born after 30 July 2009 but not later than 30 July 2013**). Individuals older than 18 (**born on or before 30 July 2009**) can take part as International Service Team (IST) volunteers.

Adult volunteers and Contingent Management Team (CMT) members must be 18 or older **(born on or before 30 July 2009)**.

Jamboree Schedule

The Jamboree starts with the Opening Game and Ceremony on 30 July 2027 and continues until the Closing Ceremony on 8 August 2027.

- **IST** are expected to arrive on 27 July and depart on 10 August. Meals will be provided from lunch on 27 July through breakfast (and packed lunch) on 10 August.
- **Youth Participants** are expected to arrive on 29 July and depart on 9 August. Meals will be offered from dinner on 29 July through breakfast on 9 August.

Jamboree Theme and Objectives

Theme: Bravely

"Bravely" is the Jamboree theme, with which we aim to inspire young people to act courageously for the future of humanity and the planet.

Young people can be an inspiration to others by acting on what they believe in and encouraging change. Scouting can empower youth members to embark on self-discovery and growth, fostering self-awareness, resilience, and a balance between nature, technology, and personal well-being, while achieving their full potential. Scouts can take the initiative and make bold steps into the future.

Young people dream about their communities' future. They feel a strong responsibility for the world around them. Adults should support and empower young people to make their dreams a reality and allow them to discover their potential.

We should allow young people to discover their potential and encourage them to speak loudly and bravely. We should support and encourage them to dream big, act decisively for what they believe in, allow them to make their own mistakes, and let them achieve their first successes. We should do our best to support them in these actions and ensure they do not feel alone as they explore and discover their paths.

We want the 26th World Scout Jamboree to be a space to inspire young people to act bravely for the future of all of us and our planet.

Now is the time for Scouts to not only be the change and take the initiative but also take brave steps forward. We want to encourage young people to walk beyond the usual, comfortable path and step up to take the floor in essential discussions. Scouts will learn how to take care of their well-being. We envision a Jamboree that will inspire but also help young people find the right self-balance and learn to take care of their mental health.

Main Educational Objectives

The 26th World Scout Jamboree theme is based on three pillars:

- You
- You and Other People
- You and the World

You

Our mission is to empower individuals to embark on a personal journey of self-discovery and growth, fostering self-awareness, resilience, and a harmonious balance between nature, technology, and personal well-being, inspiring them to achieve their full potential.

- To encourage one to explore oneself (reflecting on one's life values and goals, knowing one's strengths and weaknesses, developing self-confidence, and making informed choices).
- To spark attention to self-development (practicing non-cognitive transferable skills: creativity, problem-solving, and critical thinking, as well as adapting to changes, practising Scoutcraft).
- To learn how to maintain self-balance (managing an individual's mix of educational and professional, friends and family, exercise, interests and passions, social engagement, leisure, etc., activities to lead a full and happy life).
- To learn how to take care of oneself – support mental health and well-being (developing resilience, counteracting pessimism).
- To learn how to embrace both nature and technology in one's own life and balance online and offline activities.

You and Other People

Our mission is to cultivate a culture of diversity and collaboration within the Scouting community, bridging generations and cultures, and fostering open communication and inclusive partnerships, all aimed at building a global community committed to peace and mutual respect.

- To embrace diversity in all dimensions (sparking curiosity about other cultures, religions, worldviews, and opinions, promoting social inclusion of all).
- To learn how to communicate and collaborate across generations, cultures, and religions as a way to bring peace locally and globally (appreciating other people's competencies, understanding other people's needs, making good use of different perspectives, promoting partnerships with other social actors – sharing experiences and resources).
- To build a sense of togetherness in Scouting.

You and the World

Our mission is to inspire and equip Scouts to become proactive, environmentally conscious global citizens, actively contributing to positive societal change and embracing sustainable development goals for a more just, sustainable, and peaceful world.

- To encourage "positive activism", the sense of belonging to civil society and youth empowerment, not waiting passively for public authorities to address our common problems, but also not going against government regulations and initiatives; to learn how to complement the system we live in peacefully.
- To understand our impact on and responsibility for the environment and conservation.
- To summarise our commitments towards sustainable development goals and to prepare to work on calls to action presented by the United Nations.

Jamboree Promotion

Brand Resources

Brand resources, audio-visuals, and photos for contingent communications are available on [HoC Base](#) in the [Jamboree Design Guidelines and Resources](#).

You can also find a specially designed Jamboree Script (font) there.

Jamboree Design

The Jamboree Design captures the Scouting spirit of adventure, courage, and leadership. At the heart of the design is the official logo, a specially created **Patrol Sign** representing the determination to progress, surmount challenges, and exhibit bravery. This emblem serves as a beacon, rallying Scouts from around the globe to embark on an extraordinary journey at the Jamboree.

The Jamboree design elements promote a sense of unity, diversity, and brotherhood. Imagery featuring Scouts from diverse backgrounds engaging in activities, exchanging cultural experiences, and working together towards common goals will be featured in promotional materials and event signage.

The design embodies the essence of Scouting — empowering young people to step boldly into the future, overcome obstacles with courage, and become catalysts for positive change in the world.

Official Channels and Hashtags

The official channels of the 26th World Scout Jamboree are:

- facebook.com/jamboree2027
- instagram.com/jamboree2027
- jamboree2027.org
- <https://treehouse.Scout.org/group/road-world-Scout-jamboree-2027>

There is no official Facebook group or Facebook event for the 26th World Scout Jamboree. There are, however, many unofficial groups and pages created by Scouts. They are not a part of the official Jamboree communication.

Official hashtags: [#WorldScoutJamboree](#) [#WSJ2027](#) [#Polska2027](#)

Guidelines for Contingent Logos

The following information serves as a recommendation for contingents. We encourage you to develop the contingent's logo using the provided template and guidelines. If you have any questions, feel free to contact us—we're happy to assist you!

1. Theme and Color Scheme

- Each design should incorporate a distinctive element representing the country, such as iconic landmarks or natural symbols.
- The color scheme should align with national colors or those characteristic of the region. The Jamboree color palette may be used.

2. Background and Composition

- The background should feature abstract, irregular shapes resembling brushstrokes, as provided in the template.
- The shape of the artwork is fixed and cannot be altered.
- The background color should complement the national colors or those characteristic of the region. The Jamboree color palette may be used.

3. Primary Visual Element

- Select a key visual element representative of the country.
- Use a simplified illustration style with clear shapes and a limited color palette.
- The illustration's colors should align with the national or regional color scheme. The Jamboree color palette may be used.
- The composition does not have to be horizontal—alternative layouts, such as a semicircular arrangement, are allowed.

4. Placement of Jamboree Logo

- The placement of the Jamboree Logo and Wordmark is fixed and cannot be changed.
- All text should be in uppercase letters.
- The text on the top bar must be written in **Galano Grotesque Bold**, as in template.
- The text at the bottom should be written in **Galano Grotesque Medium**, as in template.
- The **World Scout Jamboree logo** should be centrally placed above the text within a circle. The circle's background color must match the top bar.
- Text should be divided into two sections:
 - The **main event information** ("POLAND 2027, 26TH WORLD Scout JAMBOREE" or in national language) should appear on a wide band in a variation of the project's dominant color.
 - The **country name** should be placed below on a separate band, also in a variation of the logo dominant color.

Example Contingent Logos:

You can find the template for Contingent Logo here:
[Contingent_logo_template.ai](https://contingent_logo_template.ai)

Location and Site^

Jamboree Site

The 26th World Scout Jamboree Site is located on Wyspa Sobieszewska within the borders of the city of Gdańsk, on the coast of the Baltic Sea in northern Poland.

Gdańsk has 1,000 years of history and has been influenced by many cultures, religions, and events through the ages. It is the birthplace of the Solidarity Movement, which began as a labour union led by the later Nobel Peace Prize laureate Lech Wałęsa, and evolved into a protest movement that contributed to the fall of Communism in Poland and Eastern Europe.

Scouts will enjoy exploring the natural wonders of Wyspa Sobieszewska. It is surrounded by the sea and rivers and is a 20-minute drive from the historic centre of Gdańsk.

Although Wyspa Sobieszewska is a part of Gdańsk, it has preserved its charming natural environment and is located away from urban development areas. Wyspa Sobieszewska enjoys the status of an ecological reserve and was formed by regulating the estuary of the Vistula River as it flows into the Baltic Sea. Its natural features and microclimate make it an ideal place for outdoor activities during the summer. It offers various landscapes, including the seaside forest, several kilometres of wide beach, picturesque open fields, and farmland. The Jamboree site itself is located on 300 hectares of fields and meadows, with programme activities areas in the forest and on the beach.

Weather Conditions and Climate for July and August

Wyspa Sobieszewska has a warm, temperate climate, moderated by the proximity of the sea. During July and August, the daily temperature averages 17°C, with an average high of 21°C and humidity of 55%. The coastal breeze may make it a little windy at times.

There is moderate rainfall, with an average of seven days of precipitation monthly during the summer, but the site is well-prepared: it sits on elevated, grassy fields with stable soil, and drainage and irrigation channels have been in place for many years thanks to farming. This means that even when it rains, Scouts can enjoy their activities safely.

So, pack your sunhat, windbreaker, and raincoat — a little weather variety is all part of the Jamboree experience! And bring a tent that uses long pegs — it will hold better in the wind.

Official Entry Points

The following locations have been designated as Official Entry Points: Gdańsk Lech Wałęsa International Airport (GDN), Gdańsk Główny railway station, Gdańsk ferry terminal, Gdynia ferry terminal, and the bus parking in Gdańsk at the AmberExpo/Polsat Plus Arena.

Jamboree Site Map

You can find a downloadable version of this map here: [link to the map](#).

General Site Information

The Jamboree Site in Gdańsk is being prepared to ensure a **safe, comfortable, and sustainable** environment for all participants. The site infrastructure will support the needs of tens of thousands of Scouts, providing reliable access to essential services such as water, sanitation, waste management, and connectivity — everything needed for smooth daily life during the Jamboree.

Water Supply

The site is connected to the municipal water and sewage system, ensuring reliable access to clean and safe drinking water. Taps are distributed throughout the Jamboree Site, making it easy for everyone to refill their water bottles conveniently. While tap water in Gdańsk is safe to drink without boiling, at the campsite taps with drinking water will be clearly marked.

Toilets & Showers

Modern toilet and shower facilities will be available in **individual cubicles**, ensuring a high level of **comfort and privacy** for all participants. The toilets will include **different styles and types**, reflecting **various cultural habits and preferences from around the world**, so that everyone can feel comfortable using them.

Facilities will be located throughout the site and will be **cleaned and maintained regularly** during the Jamboree.

Waste Management

A **five-bin waste system** will support sustainability and responsible resource use throughout the Jamboree. This is the **standard waste segregation system** used in Gdańsk helping us align with local environmental regulations and contribute to recycling efforts.

All participants are required to follow this system carefully and dispose of their waste responsibly. The categories are as follows:

Electricity & Charging Facilities

While unit areas are not directly connected to the power grid, electricity will be available in designated areas to support Jamboree services. Powerbanks can be charged at designated stations free of charge.

WiFi & Mobile Coverage

Free Wi-Fi zones will be available in large areas of the Jamboree site, though coverage will not extend to all areas of the Jamboree site. To support connectivity, additional temporary cell towers will be installed across the site.

Facilities Provided*

A range of essential services will be available on site to support participants throughout the World Scout Jamboree. **Manual laundry stations** will be available in the sanitary centres located within each subcamp, providing participants with convenient access to hand-wash clothes during the event. The Plaza will also host a **convenience store** for basic necessities and a **post office** service for sending mail or postcards.

To help participants recover misplaced belongings, **Lost and Found** services will operate across the site in multiple locations (e.g., at the Plaza and in subcamps), making it easier to report and retrieve lost items. These facilities are intended to ensure that everyone has access to practical support throughout their Jamboree experience.

Jamboree Symbolic Framework

The 26th World Scout Jamboree 2027 Symbolic Framework is based on a simple thing we all recognise from our years in Scouting – storytelling. The Symbolic Framework serves as an outline for the participants' journey through the Modular Programme, which is named after places (Beach, Village, Forest, City, etc.), as well as its extensions, which are reflected in the names of Polish flora chosen for the Subcamps' names. The Hubs tie the Subcamps together as they are named after five colours the plants are in.

The Symbolic Framework brings the story of *living bravely* to life through ten **Companions**. As their name suggests, they travel with the Participants on their journey. Each Companion has their own story, serving as an example and a trusted friend along the way.

When **Anna** leaves home for the first time, she wants to share everything she has learned with the world. On her journey, whenever she meets someone in need, whether a stranger or a creature, she uses her experience to help. Anna loves her traditions and her home, but when she arrives in the Village, she never speaks unless invited, never imposes, and never expects anything in return for the knowledge she shares.

Anna's twin sister, **Pola**, also loves their home deeply but is driven by change. Where Anna wants to share knowledge, Pola wants to learn more. She knows that no home is perfect and some traditions need to evolve. With an open mind and heart, she sets out into the world, ready to face challenges and asks for help when needed. She is ready to receive help given.

Balbina, in the Forest late at night, faces her fear of the dark by lighting the way with her flashlight. Her fear doesn't stop her. She finds joy and courage by helping her Companions. Similarly, when **Cezary** wanted to see the sunset earlier that evening but one of his Companions couldn't walk any farther, he chose not to leave anyone behind.

On the Beach, **Bogna** becomes lost but decides to trust her Companions, handing over the map so they can find the way back. She focuses instead on what she does best—keeping everyone's spirits high and making sure they all take care of themselves.

By the River, **Mikolaj** continues his daily task of cleaning the shore. Others think it's pointless, but he stays true to his heart and beliefs. When the Companions join him, his example inspires them, creating a wave of positive change in his community.

Before reaching the City, the Companions face a choice between two roads. The newest member, **Jan**, suggests a simple solution: split into two groups and meet at the same place later. He knows how to end small disagreements and respect others' choices.

Later, while resting in the Meadow, **Zofia** joins them. During another conflict, she recognises a negative pattern she learned from adults. She stops, takes a deep breath, apologises, and tries a new approach—breaking the cycle of unkind behaviour.

Seba, guided by his heart and curiosity, decides to join the journey too. Though he feels safe at home, he wants to explore how he fits into the wider world. He speaks openly about his feelings and acts bravely, even when it feels uncomfortable.

Finally, **Aleks**, after a long and difficult solo journey, follows the distant light of the Companions' fire and finds the Camp-in-Camp. The hard path proves worth it—for it leads to true friendship and belonging.

Although each Companion is different, they all share one thing: on their Jamboree journey, **everything they do, they do it bravely.**

Even though all of the Companions are different people, there is one thing they all share. During their Jamboree journey, everything they do, they do it bravely.

BUILDING YOUR CONTINGENT

How to Build Your Contingent?

Building your Contingent for the Jamboree requires careful planning to ensure a diverse, **well-structured, and well-supported group** of participants and volunteers. Below you will find recommendations to help you assemble your delegation Contingent effectively.

Contingent Size and Limits

Each Contingent must comply with the participation limits outlined in the Terms & Conditions. The maximum size of any Contingent is 10% of the total number of Jamboree participants, meaning no Contingent can exceed 3,600 people. This ensures a balanced and diverse event with participation from across all Regions of Scouting.

The Contingent consists of both youth participants and adult volunteers, of which the adult volunteers may not exceed the number of youth participants.

Youth Participants and Unit Structure

Youth participants attend in Patrols of 9 Scouts with 1 Adult Patrol Leader. Four Patrols together form a Unit. If an NSO cannot bring a full Unit, international Units will be formed with Patrols from different NSOs.

Adult Volunteers and Roles

Adult volunteers play a vital role in the Jamboree and can join in several capacities:

- Adult Patrol Leaders (APL) – Supporting and guiding Patrols. Each Patrol will be accompanied by one Adult Patrol Leader (APL). The APL must be at least 18 years old as of 30 July 2027. Adult Patrol Leaders play a vital role at the Jamboree: they are expected to be strong leaders, reliable problem-solvers, and trusted role models for the youth participants. They will guide their Patrol through activities while also supporting the physical and mental well-being of each member.
- International Service Team (IST) members – Helping deliver the Jamboree experience. ISTs are the helping hands of the Jamboree. They are at least 18 years old on 30 July 2027. ISTs are recruited through their Contingents and will be assigned to a job. More information on IST can be found in the chapter about IST. Each Contingent is expected to bring IST members to contribute to the Jamboree's operations. However, the number of adults, including IST members, cannot exceed the number of Youth Participants in your Contingent.
- Contingent Management Team (CMT) members – Overseeing the Contingent's logistics, welfare, and overall support. This team of adults (at least 18 years old on 30 July 2027) is responsible for the general operations of the Contingent.

Each Contingent is encouraged to have at least two CMT members, one of which should be the Head of Contingent, who serves as the primary point of contact. The number of CMT members allowed is based on the size of the Contingent. Further details on registration and limits can be found in Circular #1.

We suggest that, where size allows, the CMT should include adult volunteers covering essential roles such as: health and safety, Safe from Harm, IST coordination, finance and logistics.

IST Pre-Selection for Special Roles

During the IST selection process, Contingent Management Teams will have the opportunity to pre-select IST members for specific roles, such as supporting Contingent Pavilions (National Tents) and Food Houses if planned. Further details on registration can be found in Circular #1.

There will be an opportunity to add additional pre-selected volunteers for Food Houses after 1 November 2025 (the official Regular Registration deadline). Further information on this process will be provided separately in the Circular on Food Houses. Please note that this applies only to Food House ISTs.

Learning and personal development for Contingent Management Teams

Participating in a World Scout Jamboree is a valuable learning experience—not only for young people but also for adult volunteers. For both Heads of Contingent (HoC) and Contingent Management Teams, the Jamboree provides a unique opportunity to develop new skills, strengthen teamwork, and prepare for an unforgettable adventure.

As part of this journey, we will begin hosting a series of informative and engaging sessions starting at the end of 2025. These sessions will explore topics such as building an effective CMT, fostering clear and inclusive communication within your Contingent and supporting personal development. We will also focus on areas such as participant well-being, operations, and travel logistics. Each session will include insights from previous HoCs and CMT members, outline our expectations, and create space for discussion and collaboration.

In addition to these preparation-focused sessions, we will also hold meetings on topics related to the Jamboree time itself, including Safe from Harm, Security, and Camping at the Jamboree.

All sessions will take place online and will be recorded, giving you access to a valuable resource library to revisit whenever needed. With your active participation, we are confident that the Jamboree will be both meaningful and memorable for all HoCs and CMTs.

Invitations for the sessions will be shared with you in due course. If you would like to contribute your experiences from previous events, we warmly encourage you to contact us at contingents@wsj2027.pl

Head of Contingent Meetings

Building on the positive experience of our in-person Head of Contingent Meeting #2, we are pleased to announce the next two upcoming meetings:

- HoC Meeting #3: 22–26 July 2026
- HoC Meeting #4: 2–4 April 2027

Both meetings will take place in Gdańsk, Poland.

These gatherings will provide important updates on Jamboree planning and offer opportunities to share knowledge, ask questions, and connect within your Regions. We know from your feedback that networking and peer exchange were among the most valuable aspects of the previous meeting, and we are committed to building on that success.

More information on these meetings will be shared in good time.

PREPARATION TIMELINE

Please carefully check the dates that changed since the last publication: personal data upload and HOC Meeting #3 dates.

2024

	July	Bulletin #1
11-12	December	Head of Contingent (HoC) Meeting #1 (online)

2025

	April	Bulletin #2
1	July	Early Registration Contingent Allocation form (request) to be submitted to the Jamboree Organisation
1	August	Early Registration Contingent Allocation confirmation to be issued by the Jamboree Organisation
1	September	Early Registration Deposit Due (30%)
26-28	September	HoC Meeting #2, Gdańsk
1	November	Contingent Allocation form (request) to be submitted to the Jamboree Organisation
	November	Bulletin #3
1	December	Contingent Allocation to be issued by the Jamboree Organisation

2026

1	February	Contingent Deposit Due (10%) (Not applicable to those who paid the Early Bird Deposit)
	March	Digital "IST Job Catalogue" is published
1	April	Up to 10% adjustment in Contingent Allocation
1	May	Second Payment Due (20%)
15	May	Start CMT, IST & PAX personal data registration + special needs registration per patrol + IST role choice
15	May	Registered ISTs have access to job selection process (*)
	May	General IST e-learning is launched
	July	Bulletin #4
22-26	July	HoC Meeting #3, Gdańsk
1	November	Third Payment Due (30%)

2027

1	January	CMT, IST & PAX personal data upload deadline
1	February	End of IST role choice
	February	Bulletin #5
1	April	Fourth Payment Due (40%) (Discounted for Early Registrations)
2-4	April	HoC Meeting #4, Gdańsk

	April	ISTs notified of their job allocation
	Spring	IST roles allocation list ready
	April-June	IST job specific on-line training
	July	IST job specific on-site training

(*) Detailed instructions regarding the job selection process will be published in a circular dedicated to IST.

JAMBOREE PROGRAMME AND ACTIVITIES

Jamboree Programme Components Overview

GO FORWARD

**OVERCOME
OBSTACLES**

BE BRAVE!

The Jamboree starts with the Opening Ceremony on 30 July 2027 and continues until the Closing Ceremony on 8 August 2027. The educational programme will contain: the main programme modules, plaza activities, programmes offered in subcamps, the International Day, the Inter-Religious Ceremony, Faith & Beliefs Zone and many more activities. Additionally, there will be a programme designed for the IST. Educational activities during the programme modules will be supported by other non-governmental organizations (NGOs). The off-site modules will involve local communities in the host area, allowing Scouts to explore the history and culture of the Kashubian and Pomerania regions near Gdańsk.

The Jamboree programme will consist of four components:

Subcamp Programme

Life in subcamps is a huge part of the Jamboree experience. We want to ensure the participants thrive in a safe environment, building strong friendships and having fun. To that end, we will have special free time activities and the one-of-the-kind Solidarity Badge that will encourage Scouts to explore how bravery, peace, and friendship can change the world.

Modular Programme

The Modular Programme will follow our “Bravely” theme. Participants will embark on adventures on-site, close-to-site and off-site, encouraging them to be courageous in their lives and communities. Every day will bring something new, allowing the participants to explore different areas and grow physically, spiritually, socially, and mentally. Participants will roam through forests, play on the beach, run around the city of Gdańsk, visit a Polish Scout camp, and much more.

Plaza Programme

The Plaza Programme will help participants experience different cultures and ideas. In the national tents, the participants will see presentations and displays from every contingent. The Faiths and Beliefs Zone will address their spiritual needs, while the Equality Zone will introduce them to friends from diverse communities, allowing them to exchange experiences without judgment.

Supporting Events

The Jamboree will feature several events that explore the “Bravely” theme in the past, present and future. During one of them, Youth Forum – a model UN debate, the participants will discuss ongoing issues and find real-life solutions to these problems. The 120 Years of Scouting Celebration will familiarise them with great figures who have brought change to the world. Also, a unique opportunity, the participants will be able to play a special Jamboree board game.

Modular Programme

The **Modular Programme** is designed around the theme “**Bravely**”, inspiring participants to embrace courage in their lives and communities through a mix of on-site and off-site adventures. Each day presents new experiences, encouraging personal growth across physical, spiritual, social, emotional, and mental dimensions. Participants will navigate through forests, enjoy the beach, explore the vibrant city of Gdańsk, connect with Polish Scouts at their camps, and engage in many more exciting activities.

To ensure everyone experiences the full range of activities, each subcamp follows a structured schedule, allowing all participants to complete every module by the end of the Jamboree.

Participation Guidelines:

- **Participants will most often take part in the Modular Programme as patrols, though some activities may be done individually or as entire units.**
- Activities are **pre-assigned to patrols**, though opportunities for swapping activities between patrols may be available during the event.
- **Unit leaders receive daily briefings** outlining the programme schedule for the following day.
- Most modules span **both morning and afternoon sessions**, each module lasts **either a full day or half a day**.

Modular Programme Overview

On-Site Modules

Physical and Mental Well-Being

This module promotes both physical fitness and mental resilience through engaging in beach activities, including team sports and mindfulness exercises. Participants will explore the connection between physical activity and well-being while embracing the calming influence of the seaside environment of Wyspa Sobieszewska.

Bushcraft, Woodcraft, Pioneering, and Campcraft

Scouts will immerse themselves in traditional outdoor Scout skills, including fire-making, learning handy knots, building shelters, and pioneering projects. This hands-on experience fosters resourcefulness, teamwork, and a deeper appreciation for nature.

Self-Planned Day for Personal Balance

Participants will take charge of their day by choosing from a variety of activities, such as creative workshops, role playing, or mindfulness practices. This module encourages self-reflection, cooperation and the importance of balance in daily life.

Cultural Diversity and Spiritual Development

The Meadow module immerses participants in critical thinking, artistic expression, and teamwork through activities inspired by diverse global cultures. Scouts will solve themed escape room puzzles, create inspired clay teapots, engage in critical thinking games, and collaborate on percussion music, fostering problem-solving, creativity, and reflection on how environments, skills, and beliefs shape us.

Local and Global Citizenship (Global Development Village)

Participants will engage in hands-on activities and discussions about sustainability, social justice, and global issues. This module inspires Scouts to take action in their communities and become responsible global citizens.

Off-site Modules

Community Service & Outdoor Adventure

Scouts will embark on a 24hr adventure outside of the Jamboree Site, involving camping with Polish Scouts at their camps and community service projects that contribute to local development. Whilst their stay, trained local Scout leaders as well as IST will provide support with topics like logistics, and ensure their safety and health. This immersive experience strengthens outdoor skills, teamwork, and social responsibility.

Gdańsk's Cultural and Historical Significance

While exploring Gdańsk's historical landmarks, museums, and vibrant city life, participants will gain insight into Poland's culture and history. Interactive challenges and guided tours will make history and heritage come to life.

Aquatic Adventure & Environmental Challenges

Participants will engage in water-based activities such as kayaking and sailing while learning about maritime history and environmental conservation. This module emphasises teamwork, water safety, and the importance of protecting aquatic ecosystems.

Subcamp Programme

Life in subcamps is a huge part of the Jamboree experience. We want to ensure the participants thrive in a safe environment, building strong friendships and having fun. To that end, we will have engaging free time activities and the one-of-a-kind Solidarity Badge that will encourage Scouts to explore how bravery, peace, and friendship can change the world.

The **Subcamp programme** is entirely optional, designed for those who wish to participate. Activities will be available every evening, offering a variety of engaging experiences:

- **Free Time Activities** – Opportunities to engage in sports, board games, and social events, either individually or in teams, beyond your own patrols or units.
- **Solidarity Badge** – A special badge earned through a series of individual and team challenges, allowing participants to explore the legacy of "Solidarność" and its peaceful role in transforming society.
- Additionally, on the first day, participants will have the opportunity to take part in the **Opening Game**—an outdoor activity designed for patrols to explore the Subcamp area while learning how they can contribute to a sustainable Jamboree.
- On a designated day, they will experience the enriching **Cultural Day** — a vibrant celebration of diversity where units present their heritage through food, clothing, customs, games, and more, fostering cultural exchange among Subcamp participants.

Plaza Programme

The Plaza Programme will help participants experience different cultures and ideas. In the World Scout Centre, the participants will see presentations and displays from every contingent. The Faiths and Beliefs Zone will address their spiritual needs, while the Equality Zone will introduce them to friends from diverse communities, allowing them to exchange experiences without judgment. All Plaza activities are walk-in activities (without registration). Participants can take part in the Plaza Programme every day on their own (full patrols are not required). This area will feature also the Food Houses, One World Tent, the Scout Shop, a Swap Centre, a Silent Disco, and further activities in development. The Plaza, located at the very heart of the Jamboree, will be a vibrant area open to participants, ISTs and external visitors, including Day Visitors.

Plaza programme will consist of:

- **World Scout Centre with Contingent Pavilions** – space for contingents to promote their culture and achievements in pursuing SDGs.
- **One World Tent** – space dedicated for promotion of World Scouting programmes and initiatives.
- **Faith and Beliefs Zone** – space for worship services in different communities, as well as personal prayer and self-inquiry.
- **Partners Pavilions** – space for external organisations both governmental (like the UN) and non-governmental (like WWF, and ICRC) whose values align with the Scouting principals.
- **Equality Zone** – space dedicated to promoting diversity and inclusion.
- **Scouting Museum** – space for exhibition hall and interactive exhibition on the history of Polish Scouting in 5 languages.

The Plaza will be the central meeting place of the Jamboree, serving as a vibrant spot where participants from around the world can gather, interact, and experience the unique atmosphere of the event. The Plaza will play a key representative role, hosting the Jamboree Gate and the flags of all NSOs, symbolising the unity and diversity of World Scouting.

Within the Plaza's commercial area, visitors will find a Scout Shop, offering official merchandise and essential Scouting gear, as well as a variety of Food Houses catering to different tastes and dietary needs.

Additional facilities and service points will ensure that the Plaza is not only a place of trade but also a comfortable and welcoming space where participants can relax and connect.

Designed to reflect the spirit of a true marketplace, the Plaza will be the beating heart of the Jamboree, fostering engagement, exchange, and shared experiences, making it an essential and memorable part of the event.

In the Heart of Plaza: National Pavilions

The National Pavilions are multipurpose individual spaces for the Contingents, located at the very core of the Jamboree: the Plaza. Contingents are invited to develop their own tents according to their needs, sizes, pedagogical and communications objectives.

National Pavilions have a front side open to the public, and (if the contingent sees a need for it), a private back office as well. The front side is a space for countries to display their cultures, showcase their NSOs programmes and activities, and propose related drop-in activities for the participants to take part in. We encourage the inclusion of the Sustainable Development Goals (SDGs) in the displays and activities, with special attention to how these are related to young people.

The content is open for each Contingent to define in collaboration with the Contingent Relations Team and the Plaza Team.

Contingents can join forces with cultural and/or geographical partners and organise joint tents if they wish to. More information regarding available tents, availability of space, the related costs, and the timeline for the registration process will be presented in a dedicated circular.

Supporting Events

The Jamboree will feature several events exploring the “Bravely” theme across the past, present, and future. This symbolic framework is designed to inspire participants to act courageously throughout the Jamboree, guiding them both literally and metaphorically in various ways.

- One of the key events, the **Youth Forum**, will bring together selected participants from each contingent in a Model UN-style debate, where they will discuss pressing global issues and develop real-life solutions.
- **1 August 2027** will feature various activities that celebrate Scouting’s legacy and spirit of togetherness, including the joint dining and inter-religious ceremony. Participants will also learn about influential figures who have shaped the world through their bravery and leadership.
- Adding a unique interactive element, the **Jamboree Game “Bravely”**, a special board game, will immerse players in the essence of Scouting, promoting Jamboree experience, and the importance of self-balance.

Jamboree Modular Programme in Detail^

Modular Programme

The **Modular Programme** is designed around the theme “**Bravely**”, inspiring participants to embrace courage in their lives and communities through a mix of on-site and off-site adventures. Each day presents new experiences, encouraging personal growth across physical, spiritual, social, emotional, and mental dimensions. Participants will navigate through forests, enjoy the beach, explore the vibrant city of Gdańsk, connect with Polish Scouts at their camps, and engage in many more exciting activities.

To ensure everyone experiences the full range of activities, each subcamp follows a structured schedule, allowing all participants to complete every module by the end of the Jamboree.

Participation Guidelines:

- Participants will most often take part in the Modular Programme as patrols, though some activities may be done individually or as entire units.
- Activities are pre-assigned to patrols, though opportunities for swapping activities between patrols may be available during the event.
- Unit leaders receive daily briefings outlining the programme schedule for the following day.
- Most modules span both morning (ca. 3hrs) and afternoon sessions (ca. 3hrs). The exceptions are two modules (the Meadow and the Village), which take up only the morning session, and the Camp-in-Camp module, which includes a total of four sessions (two consecutive days). On the last day of the Modular Programme (8 August 2027) all modules will have only one (morning) session

The rotation of programme modules is shown in the diagram below. Please note that this is an example illustrating the logic of the modular programme, and specific Subcamps may ultimately be assigned in a different order.

	27.07	28.07	29.07	30.07	31.07	1.08	2.08	3.08	4.08	5.08	6.08	7.08	8.08	9.08	10.08

On-site modules

Beach module / Physical and Mental Well-Being

This module promotes both physical fitness and mental resilience through engaging in beach activities, including team sports and mindfulness exercises. Participants will explore the connection between physical activity and well-being while embracing the calming influence of the seaside environment of Wyspa Sobieszewska.

Upon completing this program, participants will have a comprehensive understanding of self-care principles and practices. They can implement personalised self-care routines that encompass physical, emotional, and mental well-being, leading to improved overall health, resilience, and a greater capacity for personal and professional success.

Educational objectives applied in this module

- To spark commitment to self-development (adapting to changes).
- To learn how to take care of ourselves – support mental health and well-being (developing resilience, counteracting pessimism).
- To learn how to embrace Nature and Technology in your life and balance online and offline activities.
- To learn how to communicate and collaborate across generations, cultures and religions as a way to bring peace locally and globally (appreciating other people's competencies, understanding other people's needs).

Examples of the activities

- Physical health part:
 - **Beach volleyball** – Dive into the sun-soaked excitement of beach volleyball, where athleticism meets strategy in one of the most dynamic sports! Whether you're spiking, serving, or diving for that game-winning save, beach volleyball offers intense competition and fun. Ready to hit the sand and bring your A-game? Join us for a thrilling experience you won't forget!
 - **Kiting** – Sky-High Adventure! Experience the thrill of flying colourful kites shaped like dragons as you take control with strings or handles, guiding them through the sky in mesmerizing displays of movement and colour. Whether you're a beginner or a pro, kiting is a fun, visually stunning way to enjoy the great outdoors and create magical moments in the air. Ready to take flight? Join us!
- Mental health part:
 - **Personal resilience** – Feeling stressed? Need tools to stay calm and focused? In this 45-minute workshop, you'll: - Learn simple mindful breathing exercises, - Build emotional resilience through guided techniques, - Reflect and share in a supportive space. A peaceful session to help you manage stress and strengthen your well-being. Note: Some exercises may involve physical activity or discussions that could be emotionally triggering. Participants are encouraged to engage at their own pace, and a supportive environment will be maintained. Join us and take a deep breath toward balance!
 - **Time and personal resources management** – Want to manage your time and money better? Looking for simple but powerful strategies for success? In this hands-on session, you'll learn how to: - Set realistic short-term & long-term goals, - Manage your time and resources effectively, - Save money with practical strategies. Small changes can lead to significant results! Walk away with essential life skills to achieve balance and personal growth. Join us and start building your future today!

Forest module / Bushcraft, Woodcraft, Pioneering and Campcraft

The module gives an opportunity to immerse in traditional outdoor Scout skills, including fire-making, learning handy knots, building shelters, and pioneering projects. This hands-on experience fosters resourcefulness, teamwork, and a deeper appreciation for nature.

Educational objectives applied in this module

- To spark commitment to self-development (practising non-cognitive transferable skills: problem - solving and critical thinking, practising Scoutcraft).
- To learn how to embrace nature and technology in your life and balance online and offline activities.
- To learn how to communicate and collaborate across generations, cultures and religions as a way to bring peace locally and globally (appreciating other people's competencies, making good use of different perspectives).
- To understand our impact and responsibility for the environment and conservation.

Examples of the activities

- Campcraft:
 - **Cat Drill** – Discover Cat Drill, a new Scouting pioneering technique that complements classic knot-based pioneering and French froissartage. Using only light wooden poles, this method is about clever, efficient construction. Build big with less weight—pioneering just got an upgrade!
 - **Tarps** – Get ready to experiment with building small shelters using just one tarpaulin! Learn handy knots to help you create sturdy setups, then make a few shelters and test them. Let's see if your shelter can withstand wind and rain (or just a few playful challenges)!

- Bushcraft:
 - **Wood-gas stoves:** Learn how to use wood most efficiently by turning it into gas and burning it! With just two tins, you'll create a one-person wood gas stove perfect for brewing tea or making a tasty soup. Bring along your cans and tins and get ready to put your survival skills to the test! Make fire with friction: Master ancient fire-making techniques with a bow drill and the Rüdiger roll—using just two planks and cotton wool! It's tough, but the reward is worth it. Are you up for the challenge?
- Woodcraft:
 - **Carving a spoon** – Turn a simple piece of wood into your very own handmade spoon! Learn carving techniques, whittling skills, and essential knife safety. You'll have a unique, self-made utensil—perfect for your next campfire meal!
 - **Working with an axe** – Ready to master the art of wood chopping? We'll teach you how to turn big logs into kindling, using different techniques for each step. Plus, we'll show you how to use your axe safely so you can chop like a pro without any worries!
- Pioneering:
 - **Tensegrity clothes hanger** – Ever wondered how poles can stay in place without touching? Come learn the fascinating concept of tensegrity, where structures hold together using tension and compression. In this workshop, you'll master this unique technique and create your own tensegrity structure!
 - **Camp table** – Using pioneering techniques, construct a camp table with a suspended tabletop. Work as a team to design, assemble, and problem-solve your way to camp's most innovative dining setup. Functionality meets creativity!

Kaleidoscope / Self-Planned Day for Personal Balance

Participants will take charge of their day by choosing from a variety of activities, such as creative workshops, role-playing or mindfulness practices. This module encourages self-reflection, cooperation and the importance of balance in daily life.

Educational objectives applied in this module

- To spark commitment to self-development (practising non-cognitive transferable skills: creativity, problem-solving and critical thinking, adapting to changes).
- To learn how to maintain self-balance (managing an individual mix of educational and professional, friends and family, interests and passions, social engagement etc., activities to lead a full and happy life).
- To learn how to communicate and collaborate across generations, cultures and religions as a way to bring peace locally and globally (appreciating other people's competencies, understanding other people's needs, making good use of different perspectives, promoting partnerships with other social actors – sharing experiences and resources)

- To embrace diversity in all dimensions (arousing curiosity about other cultures, religions, worldviews and opinions, promoting social inclusion of all).

Examples of the activities

- **Nature's Orchestra** – Scouts will form a nature band by crafting unique instruments from natural objects and recyclables. This creative activity promotes teamwork, self-expression, and environmental awareness as the band performs in a talent show, showcasing the power of music from nature's resources.
- **Cultural Connections Bingo Challenge** – Join the one-hour Cultural Connections Bingo Challenge! Scouts will complete bingo prompts about cultures, experiences, and values, fostering communication and appreciation for diversity. Available to borrow from the Hub for one hour.
- **Genealogy and Family Search** – Explore the significance of genealogy across cultures and learn how to trace your lineage. Using digital tools and historical records, participants will start their own family tree with resources to expand their research over time.
- **Spirit Art Reflection** – Unleash your creativity and reflect on your values through visual art! Using paints and natural materials, create a piece representing who you are and what you believe in. This session fosters self-expression, mindfulness, and artistic exploration.

Meadow / Cultural diversity and Spiritual Development

The Meadow module immerses participants in critical thinking, artistic expression, and teamwork through activities inspired by diverse global cultures. Scouts will solve themed escape room puzzles, create inspired clay teapots, engage in critical thinking games, and collaborate on percussion music, fostering problem-solving, creativity, and reflect on how environments, skills, and beliefs shape us.

Educational objectives applied in this module

- To encourage one to explore oneself (reflecting on one's life values and goals, knowing one's strengths and weaknesses, making informed choices, and developing self-confidence).
- To spark self-development devotion (practising non-cognitive transferable skills: creativity, problem-solving and critical thinking).
- To embrace diversity in all dimensions (arousing curiosity about other cultures, religions, worldviews and opinions, promoting social inclusion of all).
- To learn how to communicate and collaborate across generations, cultures and religions as a way to bring peace locally and globally (appreciating other people's competencies, understanding other people's needs, making good use of different perspectives).

Examples of the activities

The geographic labels, Arab, Africa, Europe, Asia-Pacific, etc, don't refer to where the activities take place. They show what culture or region of the world inspired each activity. It's a way for Scouts to experience traditions, art, and ideas from different parts of the world through hands-on activities.

- Critical thinking games (Environment & Behaviours)
 - **Escape room (Arab)** – In Arab culture, riddles are deeply connected to the tradition of poetry and storytelling, serving as a way to showcase wisdom, intelligence, and mastery of language. Join us for an exciting Escape Room adventure where Scouts test their teamwork, problem-solving, and leadership skills! Work together to solve puzzles and unlock clues before time runs out. Fun and learning await!
 - **Detective mystery (Poland)** – In this activity, patrols will take on the role of detectives, solving a mystery based on descriptions of places, people, and their gatherings. As they work through the riddle, they'll learn about Polish cuisine, recreational habits, ethnic groups, and regions. This task will also spark a discussion about how the places we live influence our behaviour and leisure activities, and why do we spend our free time the way we do.
- Handicrafts (Skills & Abilities)
 - **Teapot craft (Interamerican)** – Join us for a creative workshop where you'll make your own teapot and cup using self-hardening clay! This hands-on experience encourages reflection and connection with the cultures of the Interamerican regions while also exploring our skills and how we want to cultivate them.
 - **Origami & Mandala (Asia-Pacific)** – This activity combines cultural learning with creativity. You will practice origami and mandala art while listening to music. It's an opportunity to reflect on who you are, who you want to be, and how you can grow while exploring the rich traditions of origami, mandalas, and Asian cultures.
- Teamwork art (Beliefs & Values)
 - **Music (Africa)** – Join us for an exciting musical adventure as we explore the vibrant world of African drum music! Learn traditional rhythms and their cultural significance. Then, get creative as you compose and play your own song using a variety of instruments and found objects. This hands-on experience will boost your musical skills, teamwork, and creativity while deepening your appreciation for music's universal language!
 - **Theatre (Europe)** – Anyone who hasn't heard of Greek theatre or the unique plays of William Shakespeare will have the opportunity to catch up. In this activity, each patrol will receive a box with materials for creating a theatre performance for puppets or masks. Along with the box, they will have a laminated script that starts a story but leaves the ending blank. The patrol's task is filling in the details and creating their unique ending. After preparing their performance, each patrol will present their play to the other groups, showcasing their creativity and teamwork.

Village / Local and Global Citizenship (Global Development Village)

Participants will engage in hands-on activities and discussions about sustainability, social justice, and global issues. This module inspires Scouts to take action in their communities and become responsible global citizens.

Educational objectives applied in this module

- To spark commitment to self-development (practising non-cognitive transferable skills: creativity, problem-solving and critical thinking)
- To learn how to communicate and collaborate across generations, cultures and religions as a way to bring peace locally and globally (appreciating other people's competencies, understanding other people's needs, making good use of different perspectives, promoting partnerships with other social actors – sharing experiences and resources)
- To encourage 'positive activism' according to WOSM's policies, the sense of belonging to civil society and Youth empowerment (not waiting passively for public authorities to address our common problems - but not going against government regulations and initiatives; to learn how to complement the system we live in peacefully).
- To summarize our commitments towards Sustainable Development Goals and to prepare to work on the following goals and calls to action presented by the United Nations.

Examples of the activities

- Human Field
 - **EcoGlow: Natural Scrubs for a Sustainable Skin** – In this hands-on session, you'll learn how to create your own natural, eco-friendly scrub while discovering how to read cosmetic labels and choose products that are kind to animals and the environment. You'll also better understand how your consumer choices can positively impact animal welfare and help

protect our planet's resources. Empower yourself with the knowledge to make conscious, sustainable decisions for your beauty routine and the world around you!

- Environment Field
 - **Energy from the power station to the power socket** – In this activity, you'll discover how to harness the sun's power for energy. We'll demonstrate a solar cooking experiment and allow you to taste a meal cooked using a solar collector. You will also create light-concentrating lenses using watch glasses, exploring their focusing properties and achievable temperatures by concentrating the sun's radiation.
- Science Field
 - **Acid or alkaline** – In this activity, you'll explore the concept of pH and how it helps describe the properties of aqueous solutions. Through experiments, you'll learn how to measure the pH of different solutions and understand how solutions with varying pH levels can impact the environment.

- Equality Field
 - **Breaking Barriers:** Exploring Inequality Through Experience – This impactful workshop uses role-playing and simulation exercises to help Scouts experience and understand various forms of inequality. Through activities highlighting social, economic, and physical challenges, participants will develop empathy, discuss fostering inclusivity, and brainstorm ways to promote fairness. Scouts will leave with a deeper understanding of inequality and ideas for driving positive change.

Off-site modules

Camp-in-Camp

The Camp-in-Camp module is unique as it allows participants to visit Polish Scouts during their own camps and stay with them overnight, making friends and travelling to different parts of northern Poland or even participate in an adventurous hike outside of the Jamboree site. Each Unit will also participate in a community service project, helping to leave the world a better place.

How to prepare

The Camp-in-Camp module requires some advanced preparation.

During the evening campfire, Units will be asked to present to the Polish Scouts and other Camp-in-Camp participants their national legend (myth, folklore story or a tale) in their chosen form (a performance, pantomime, story...) as well as propose a Scout game and a song. Make sure to prepare these performances before participating in the Camp-in-Camp module. If a Unit has any musical instruments with them at the Jamboree site, it is recommended that they bring them along.

What to bring

Due to its off-site nature, this module requires participants to bring certain items with them. Each participant should bring:

- A sleeping bag (and, optionally, a pillow).
- A raincoat.
- Long trousers (not only shorts!).
- A warm hoodie or jumper.
- Boots appropriate for walking and playing in a forest (not sandals!).
- A hat or a cap.
- Sunscreen with a UV filter.
- Insect repellent.

- Scout uniform.
- Dishes and cutlery.
- A reusable water bottle.
- A flashlight.
- A towel.
- Toiletries and personal hygiene items.
- Flipflops (for showering).
- Underwear and socks.
- A fresh set of clothes to wear the next day.
- Personal medication, if needed.

Educational objectives applied in this module:

- To encourage positive activism, youth empowerment, and a sense of belonging to civil society by helping young people take constructive action on shared challenges, while contributing peacefully, responsibly, and in respect of public regulations.
 - To spark commitment to self-development (practicing non-cognitive transferable skills: creativity, problem-solving and critical thinking, adapting to changes, practicing Scoutcraft).
 - To learn how to embrace Nature and Technology in your life and balance online and offline activities.
 - To embrace diversity in all dimensions (arousing curiosity about other cultures, religions, worldviews and opinions, promoting social inclusion of all).
 - To learn how to communicate and collaborate across generations, cultures and religions to bring peace locally and globally (appreciating other people's competencies, understanding other people's needs, making good use of different perspectives, promoting partnerships with other social actors – sharing experiences and resources).
 - To build a sense of togetherness in Scouting.

Examples of community service projects and activities:

- Sewing Animal Den Pillows
 - Participants will sew simple pillows designed for animals in shelters. This straightforward task allows Scouts to contribute meaningfully while learning basic sewing techniques in a group setting; a rewarding activity that combines creativity with real-world help, emphasising how small actions can make a big difference.
- Back to the past - museum renovations
 - Patrols will help to care for museum exhibitions by arranging exhibits and dusting artifacts like armor, going beyond standard cleaning. In collaboration with museums, this activity offers a behind-the-scenes look at history; a fascinating blend of service and education that connects youth with cultural heritage.

City module

The City module invites the participants on a journey to the heart of Jamboree's Host City - Gdańsk. Each Patrol will visit a museum, learning about Polish culture, history or science and participate in a city game, which will familiarise them with Gdańsk, its special landmarks and beauty.

What to bring

The city games will require the participants to move on foot, so they should bring:

- comfortable shoes,
- a hat or a cap,
- sunscreen with UV filter,
- a reusable water bottle for drinking water (you can find drinking fountains with potable water all around the city for a refill),
- a raincoat.

Some of the games require a Patrol to use of **smartphones with a camera, notebooks, and pens**. If one desires, you can also bring **some pocket money** and buy a souvenir or two!

Educational objectives applied in this module:

- To encourage one to explore oneself:
 - reflecting on one's life values and goals,
 - knowing one's strengths and weaknesses,
 - making informed choices,
 - developing self-confidence.
- To spark commitment to self-development:
 - practicing non-cognitive transferable skills: creativity, problem-solving and critical thinking,
 - adapting to changes,
 - practicing Scoutcraft,
 - learning through fun.
- To learn how to communicate and collaborate across generations, cultures and religions to bring peace locally and globally:
 - appreciating other people's competencies,
 - understanding other people's needs,
 - making good use of different perspectives,
 - promoting partnerships with other social actors, sharing experiences,
- To learn Polish culture, civilisation, and influence on global history:
 - learning about the "Solidarity" movement and freedom,

- learning about the history of Gdańsk and Poland and their influence on the world,
- learning about famous Polish scientists, musicians and other people,
- learning about Poland as a developed country with great ideas,
- learning about Polish forms of Scouting, such as city games.

Examples of activities:

- City games:
 - Hanza – how Gdańsk became the greatest harbour in Kingdom of Poland
 - Step into the 16th-Century Gdańsk! Ready to journey back in time and experience the thriving world of Hanseatic trade? Discover how Gdańsk became one of Eastern Europe's most important trading hubs through strong alliances and bustling commerce. This experience offers a fascinating glimpse into Gdańsk's golden age. Guides will lead you through the city's rich past, ensuring an engaging and immersive experience. Step into history and witness the power of trade!
 - Following the Traces of Kashubian Culture and History
 - "The urban game "In the Footsteps of Kashubian Culture and History" reveals Gdańsk through its Kashubian roots. Participants explore heritage sites, solve tradition-inspired tasks, and learn basic word and phrases in Kashubian and Polish languages. Patrols hunt for a secret keyword, each checkpoint bringing them closer. A lively finale in a historic spot makes everyone feel part of the story and leaves the adventure on a high note!"
- Tourist attractions:
 - European Solidarity Centre – A museum and cultural centre dedicated to the Solidarity movement ("Solidarność"), the history of democratic change in Poland, and the country's path to freedom in 1989.
 - Artus Court – A historic 16th-century merchants' meeting hall in the heart of Gdańsk, reflecting the city's rich trading history and civic traditions.

River module

The River module allows the participants to enjoy the fresh breeze and outdoor water activities such as kayaking and sailing. For those who wish to stay on land, an abundance of sea Scouting games will await.

What to bring:

To fully enjoy the module, as they will spend an active time outside, participants should bring:

- clothes and shoes that can get wet (but not flip-flops),
- water proof protection for mobile phones
- raincoats,

- a hat or a cap,
- sunscreen with UV filter,
- and a reusable bottle filled with drinking water.

Educational objectives applied in this module:

- To encourage positive activism, youth empowerment, and a sense of belonging to civil society by helping young people take constructive action on shared challenges, while contributing peacefully, responsibly, and in respect of public regulations.
 - To learn how to take care of us – support mental health and well-being (developing resilience, counteracting pessimism)
 - To learn how to embrace both Nature and Technology in your own life and balance online and offline activities
 - To embrace diversity in all dimensions (arousing curiosity about other cultures, religions, worldviews and opinions, promoting social inclusion of all)
 - To learn how to communicate and collaborate across generations, cultures and religions to bring peace locally and globally (appreciating other people's competencies, understanding other people's needs, making good use of different perspectives, promoting partnerships with other social actors – sharing experiences and resources)
 - To understand our impact and responsibility for the environment and conservation.

Examples of the activities:

- Onshore activities:
 - Humankind and water – Wiślinka Harbour onshore activities
 - Participants will explore the connection between their region and global water activities by learning about different types of boats used throughout history. They will build boat and sail models and place them on a world map. Further, they'll have the chance to learn valuable knots.
 - Onshore activities – Marina Błotnik
 - Participants will explore the science behind sailing and water activities, learning about navigation, the evolution of ropes and nets, and their environmental impact. The activity also covers recycling, reusing, and sustainable practices in the maritime industry.
 - Onshore activities – Górkki Zachodnie
 - Participants will explore how science has enabled sailing and other water activities. They will learn about the connection between the environment and the sea industry. They will gain insight into navigation basics, the evolution of ropes and nets, and their environmental impact. Participants will also discuss recycling, reusing, and the future of these materials. Handling ropes, nets, or sample materials may involve minor physical risks such as brief strain or mild friction discomfort for some

participants, yet the session provides a safe environment where Scouts can explore the science behind sailing and discuss the future of marine materials with curiosity and confidence.

- Offshore activities:

- Kayak trips

- Kayaking is a fantastic activity that promotes teamwork, endurance, and a strong connection with nature. To ensure that everyone can participate safely and confidently, the programme is tailored to different experience levels. Participants who are new to kayaking take part in introductory training sessions, where they learn the basic paddling techniques, safety procedures, and boat handling skills in a supportive environment. More experienced kayakers can enjoy longer routes of approximately 10–12 kilometres, paddling in pairs through the beautiful rivers and lakes around Gdańsk. Kayaking involves some physical risks, including fatigue, temporary muscle strain, or instability on the water. However, all activities are conducted under the supervision of experienced leaders, with appropriate safety equipment and guidance, ensuring that participants can enjoy the challenge in a safe and supportive environment while developing teamwork and outdoor skills.

- Sailing on Wisła River sailing yachts - harbours in Marina Błotnik, Wiślinka, Górkі Zachodnie

- Feel the thrill of the wind, splash through the water, and experience the excitement of sailing on the Wisła River! During this 3-hour activity, Scouts will take the helm and manage the sails of a sailboat, working together as a team to navigate the river. The activity is suitable for participants who can swim and feel comfortable in the water. No previous sailing experience is required, making it a great opportunity to learn new skills in a beautiful outdoor setting.

Sailing may involve physical risks such as an unstable surface, splashing water, or temporary strain when handling the sails. To ensure a safe experience, all participants must wear the required safety equipment and carefully follow the instructions of the qualified instructors at all times. By adhering to safety procedures and working together as a crew, Scouts can enjoy the challenge while learning and navigating safely on the river.

- Sailing on passenger ships on Wisła and Pomorska Bay

- A cruise on the passenger ship offers a unique opportunity to experience the exceptional landscapes and natural beauty of Sobieszewo Island. Along the way, you'll have the chance to collaborate with others, tackle small challenges, and enjoy a peaceful break while soaking in the serene surroundings. Being on a passenger ship may involve minor physical risks

such as mild motion discomfort, slippery surfaces, or sun exposure, yet the session provides a safe environment where Scouts can enjoy the cruise and appreciate the island's landscapes in calm and secure conditions.

Pre-Jamboree Task*

120,000 positive actions challenge

From 22 February to 1 August 2027, Scouts from around the world will join a global challenge marking the 120th anniversary of the Scouting Movement. Together, they will undertake positive actions inspired by the Jamboree pillars, with the ambition of achieving 120,000 actions that contribute to a better world.

The initiative is primarily aimed at Jamboree participants but is open to all Scouts. You can take part as a Scout unit, a patrol, or individually.

Below you can find some examples of the challenges that participants can undertake:

You:

- Practice mindfulness or take a walk in nature without using technology,
- Analyse your needs and answer one of them,
- Make yourself smile,
- Write down 5 things you like about yourself,
- Share your biggest achievement during your Scout group's meeting.

You and the Other People:

- Help someone in need,
- Make someone smile,
- Send someone a postcard or a handwritten letter,
- Donate blood or advocate for blood and marrow donation online,
- Make a friendship bracelet or DIY something reusing items already acquired and gift it.

You and the World:

- Find how you can positively contribute to your environment and act,
- Plant a tree, Volunteer outside of scouting,

- Host a Write for Rights event,
- Raise money for your local community's needs and donate it.

The entire process will be hosted on a Jamboree website: <https://www.jamboree2027.org/> with a live bar showing progress.

Participants will report their positive actions through forms, where they:

- insert information about themselves (voluntary)
- briefly describe what they did,
- add photos/videos.

More specific information on how to submit your positive actions and the exact link to form will be provided in the next bulletin and on our website around February 2027.

Pre- and Post- Jamboree Activities

Jamboree travel partners

Mazurkas

By joining the Jamboree, you will have the chance to enjoy the beauty of the Baltic beaches and explore the attractions of Gdańsk. But why not extend your journey? From Kraków – Poland’s historic capital with its Royal Castle on Wawel Hill and beautiful Gothic Old Town – through the Tatra Mountains with their stunning alpine scenery, to Warsaw – a vibrant capital city where modern skyscrapers meet the charm of the UNESCO-listed Old Town, the Jamboree is a perfect opportunity to discover Poland’s culture, nature, and history.

The Jamboree Organisation has partnered with the Polish tour operator Mazurkas Travel to support Contingents with pre- and post-Jamboree activities. Mazurkas can:

- Pick up groups from anywhere in Poland, Arrange attractive sightseeing programs,
- Bring participants to their chosen Entry Point, or
- After the Jamboree, collect groups from the Jamboree site and transfer them to an airport, train station, or ferry terminal once the tour program is completed.

Mazurkas offers several packages, from 3 to 10 days, with programs ranging from cultural highlights in Poland’s most attractive cities and regions to outdoor activities in national parks. Accommodation options vary according to budget – from hotels to hostels and student dormitories.

For more information, please contact:

- Magdalena Klim – Project Manager, phone +48 668 121 451, mail m.klim@mazurkas.com.pl

or use the registration form at the provided link (<https://jamboree2027.mazurkas.com.pl/pre-tour-post-tour-questionnaire/>)

LOT Polish Airline

Polish Airlines LOT - Official Carrier. Discover the Offer!

Polish Airlines LOT is the Official Carrier of the 26th World Scout Jamboree. The convenient LOT network of both direct and transit flights will allow you to travel from over 100 cities across Europe, Asia, North America, and North Africa.

With LOT's special offer, you'll receive not only attractive conditions but also 24/7 support via email at jamboree@lot.pl.

What does the special offer include?

1. Dedicated pricing
2. 1 free ticket for every 15 passengers
3. Standard cabin and checked baggage included in the price for every passenger
4. 1 additional checked bag free of charge for every 10 passengers
5. Flexible conditions for changes and cancellations
6. Ticketing and full payment 7 days before departure

Choose our official carrier for travel to the Jamboree and for Head of Contingent meetings!

Interrail

If you are considering travelling to the Jamboree by regular train, ask about their special offer for Jamboree participants. The offer can apply to small groups or individual travellers such as adult IST, moreover Eurail / Interrail can also prepare group offer for entire Contingents.

For Eurail / Interrail inquiries, please contact:

- Thijn van Eldijk – Institutional Initiatives Specialist
- Simona Clerici – B2I Manager

Email: institutions@eurail.com

Hosted Hospitality Programme

The Hosted Hospitality Programme is an optional programme available for members of Contingents attending the 26th World Scout Jamboree in Poland. Scouts aged 14-17 years can join authentic Polish Scout camps for one week before or after the Jamboree, experiencing genuine Polish Scouting traditions, outdoor skills, and cultural immersion alongside local Polish Scout troops.

Hosted Hospitality connects international Scout groups with established Polish Scout units to co-organise and participate in Polish Scout camps or spend a week together on workshops and cultural exploration. Host camps are planned to be located across Poland's diverse regions, such as the Mazury Lake District, Bieszczady Mountains Region, or historical central regions, each offering unique geographical and cultural experiences.

Participants who successfully complete the Hosted Hospitality Programme are eligible to earn the special Jamboree Badge, recognizing their achievement in this unique international Scouting experience.

To help us in planning, Contingents are asked to provide an estimate of the numbers of Scouts and Leaders that would like to participate in Hosted Hospitality by completing a non-binding "Initial Interest Form" by the end of December 2025. Please note that the Hosted Hospitality Programme will be arranged on a first-come, first-served basis, with limited capacity and careful matching between international and Polish Scout groups.

Further information on the Hosted Hospitality Programme, including detailed application procedures and specific host camp locations, will be announced in later Bulletins.

Jamboree Board Game "Bravely"

The Jamboree Game “Bravely” is an educational and team-building activity developed by young Scouts to support the aims and spirit of the World Scout Jamboree. At its core, the game focuses on the idea of self-balance — learning how to maintain harmony between different aspects of life such as education, work, friendships, family, passions, and social engagement. Through play, participants explore how balance contributes to personal well-being and a fulfilling Scouting journey.

Rooted in the Symbolic Framework of the 26th World Scout Jamboree, “Bravely” promotes learning through experience, encouraging personal growth, cooperation, and intercultural understanding. It was designed by a youth-led team — six of the eight authors are Polish rovers under 19 years old — demonstrating the power of youth initiative and creativity in Scouting.

The first edition of the Jamboree Game “Bravely” is available for free in our online store to be ordered by Contingents (the buyer covers only shipping costs) while stock last. The game has five language versions (English, French, Spanish, Arabic, and Polish) in a single box.

Main Principles and Educational Goals

Bravely combines meaningful educational aims with simple and engaging mechanics. The game is:

- Fully **aligned** with the Jamboree’s **theme and Symbolic Framework**, supporting its educational mission.
- **Language-independent** and **universally accessible**, making it easy to play across cultures.
- **Easy to learn**, yet **challenging to master**, ensuring both inclusivity and depth.
- A **fun, reflective experience** that encourages teamwork, discussion, and self-discovery.

Through these principles, the game aims to:

- Teach **self-balance**, helping players manage a healthy mix of education, work, friendships, family, and social engagement to lead a full and happy life.
- Build a **sense of togetherness** and belonging in Scouting.
 - Encourage **conscious participation** in the World Scout Jamboree.

IST

IST Preparation^

IST Preparation timeline

The table below outlines the high-level schedule related to International Service Team (IST) experience.

March 2026	Digital "IST Volunteer Roles Catalogue" is published
May 2026	General IST e-learning is launched
15 May 2026 – 1 February 2027	Registered ISTs have access to role selection process (*)
April 2027	ISTs notified of their role allocation
April – June 2027	IST role specific on-line training
July 2027	IST role specific on-site training

(*) Detailed instruction regarding the role selection process was published in Circular#7 dedicated IST Role Allocation & Adult Training.

„What to expect as an IST“?

The IST consists of thousands of adult volunteers from around the world. They are responsible for managing the day-to-day Jamboree operations, ensuring the entire event runs smoothly and safely. The IST plays a vital role in ensuring the success of the Jamboree.

While the Jamboree promises to be a fun and rewarding experience for IST, their primary role is to contribute meaningfully to the event's success. At the Jamboree, IST will take part in an inspiring program that emphasizes personal choice and individual growth. In addition, IST can look forward to training opportunities that extend beyond the Jamboree, including WOSM initiatives and life and career skills that will benefit them back home. Each IST member will shape their own journey by engaging in activities that challenge and inspire them, creating a unique and meaningful experience.

The framework embodies the theme "Bravely", encouraging IST members to step outside their comfort zones through four key dimensions:

- **Bravely Explore:** Engaging with new roles, perspectives, and cultural diversity
- **Bravely Act:** Taking initiative, making decisions, and contributing meaningfully
- **Bravely Overcome:** Facing difficulties with resilience and adaptability
- **Bravely Lead:** Inspiring others through commitment and action

IST Roles

IST members serve in a wide range of roles, with specific assignments determined closer to the event. These positions are essential to the success of the Jamboree and span many different areas, including:

- **Programme** – Running a variety of on-site and off-site activities for youth participants.
- **Safety, Security, and Medical Services** – Ensuring the well-being of all participants through security patrols, first aid stations, and emergency response operations.
- **Site Operations** – Managing the movement of supplies, setting up infrastructure, and overseeing general site maintenance.
- **Food Services and Retail** – Supporting food distribution and retail operations for tens of thousands of participants.
- **Subcamps and Hubs** – Organizing daily life in the subcamps where Scout units will stay.
- **Accreditation and Guest Services** – Welcoming Jamboree attendees at the Check-in Centre and facilitating the experience of Day Visitors and other guests.
- **Contingent Relations** – Supporting Heads of Contingent meetings and managing the operation of National Pavillions on the Jamboree Plaza.
- **Transport** – Coordinating arrivals, departures, and all Jamboree transport operations.
- **Ceremonies** – Assisting in the planning and delivery of major arena events.
- **Media and Communications** – Managing media relations, public communications, and internal communication systems.

Training and Development

Being an IST is not just about work and fun, we hope that every IST takes the opportunity to develop themselves. The IST Training and Development framework operates through three progressive phases:

- Delivered through learnings at Rosterfy online platform, **"Base Camp"** equips all IST members with essential knowledge, skills, and attitudes necessary for their mission: basic Jamboree operations; Scouting values and intercultural competence; emergency procedures and protocols, etc.
- On-site training delivered at the start of the Jamboree – **"Explorer tracks"** help IST discover how to play their roles within their departments. Focusing on technical skills - logistics, emergency management, and programme coordination. department-specific procedures and protocols and role-specific safety requirements.
- **"Horizon Exploration"** invites IST to reflect on their experience, connect with their new networks, and stay engaged after the Jamboree through legacy actions and continued community involvement. Recognising IST's contribution is a key part of valuing their engagement and supporting their future development within and beyond Scouting. A digital certificate will confirm the participation and contribution of the individual IST.

IST Experience

Engaging, Supporting and Recognising Volunteers

Through their hard work and dedication, the International Service Team (IST) plays a crucial role in making the World Scout Jamboree a success. Thats why it's so important to recognise that without our incredible IST, the Jamboree wouldn't be possible.

ISTs don't just come to a Jamboree to work - they want to have fun, make new friends and develop new skills while building on the ones they already have. They're looking for an experience that is both meaningful and rewarding, giving them the chance to contribute, learn and connect with a global community.

Most of all they want to leave the Jamboree with amazing memories and the feeling that they were a valued team member in a role that truly made a difference.

Engaging

Every IST member will have the opportunity to choose a role that complements their skills and interests. To ensure they are prepared for this role they will complete via an e-learning platform two types of pre-Jamboree training: IST Induction Training and Safe from Harm Training.

Before the event, we will provide a warm welcome and essential information including top tips to ensure the IST are fully prepared and feel confident about their role at the Jamboree.

Supporting

- IST will also have an opportunity to take part in online Role Specific Training with their team.
- Throughout the Jamboree, continuous learning opportunities will be offered through workshops and training sessions, enhancing skills that will benefit IST members beyond the event itself.
- The **“IST Feedback System”** allows volunteers to share their thoughts, report challenges, and suggest improvements, ensuring their voices are heard.

Recognising

- Recognition is an essential part of the IST Experience.
- The **“IST Experience Award”** acknowledges their hard work, training, and contributions in a unique and very visual way, that will not only recognise and reward the ISTs, but also inspires others to achieve as well!
- The **“Thank You Programme”** provides every IST member with a digital certificate of achievement, those ISTs that go above and beyond will get an enhanced certificate highlighting their exceptional service.
- The IST Programme will help all ISTs to “bravely” create their own individual path through the Jamboree. This path will be guided by their own interests, challenges and knowledge, uniquely allowing the IST to choose and create part of their own experience. Whether they take part in with new friends, old friends or even alone, the IST will have the opportunity to discover fun, adventurous and interactive activities, to enhance their Jamboree experience no matter if it’s their first or tenth time as an IST.
- The IST Experience is designed to empower, support, and celebrate every volunteer, ensuring that their time at the Jamboree is not just about fulfilling duties but about growing, learning, and making lasting memories.

IST Programme*

IST Programme

Being an IST at WSJ Poland 2027 means far more than volunteering. The programme is built around the belief that every IST deserves a genuine Jamboree experience of their own alongside their service, and in the time beyond their duties.

Off-duty time opens a wide range of possibilities; from active and social moments to learning, exploration, and rest. From midday onwards, the IST campsite begins to buzz with activity. The iconic Black Magic Tent opens its doors for board games, brick-built creations, LEGO building, and facilitated talks, before transforming each evening into a lively venue with concerts and karaoke nights.

Across the site, there is always something happening; from sports and outdoor challenges to more relaxed ways of spending time. The Chill-Out Area, with spaces for rest, quiet activities, and wellbeing, offers a chance to slow down and recharge. Those looking to explore further during their free time can also head offsite to Gdańsk, discovering its history and culture or simply spending time by the Baltic Sea.

Whatever your energy level, there is always something waiting and always a way to make the experience your own.

IST Programme areas and paths

The IST programme is built around five main areas, giving volunteers a wide range of activities to choose from. Everyone can pick what fits their interests and energy. Each person's choices will shape their Jamboree path—alone, with friends or with new friends, and bring new experiences to take home.

Adventure is all about action. Enjoy swimming and water games at the beach, go hiking, or stay in the campsite for camp walks, scavenger-hunt games, and morning or evening runs.

Chill Out is the place to rest. In the Chill-out Plaza you can relax in hammocks, read a book, try meditation or yoga, and use a small sauna or salt-water foot baths. It's designed for quiet time and recovery.

Culture lets you discover music, food, and local life. Join beach hangouts, campfires, music quizzes, playing instruments, or group singing and dancing. Off-site options include self-guided city tours and visits to museums in the beautiful city of Gdańsk.

Fun keeps the camp lively. You'll find board games, karaoke, a LEGObrick-build corner, quizzes, and speed-friending; classic IST activities such as badge swapping and relaxing at the café are joined by team sports like football, frisbee, and volleyball. Bigger events include IST's Got Talent and the Opening and Closing ceremonies.

Innovation is where learning and sharing happen. Take part in Scout-talks, open-space discussions, workshops, and group sessions in the Training & Exploring Tent. This area is a space for learning new skills and gaining practical knowledge that go beyond everyday service work, making time at the Jamboree a real chance to grow.

These areas don't exist in isolation — they are the building blocks of a personal journey through the Jamboree. To help ISTs make the most of their free time, the programme offers a set of optional paths: curated frameworks that combine activities from across the five areas into a coherent personal experience. Each path has its own flavour and focus, drawing more heavily from some areas than others, but no path is rigid. Rather than a fixed schedule, a path gives each IST a loose guide — suggesting which types of activities and which combinations of themes to seek out, while leaving the actual choices entirely open. If a path calls for something physical and self-focused, you might choose a morning run, some time at the gym or a hike somewhere, whatever fits your day. The paths are there to add shape and intention to free time without removing spontaneity, ensuring that whether you have one free hour or a full day off, you always have a sense of direction, and the choices to create your own personalised experience.

FOOD

WORLD SCOUT BUREAU INC. / ANDRÉ JÓRG

Food Distribution

Participant Dining

At the 26th World Scout Jamboree, participant dining will operate through a food market model. We plan to partner with a well-established supermarket provider based in Poland to ensure an effective and efficient supply chain that can meet participant demand throughout the event.

Each participant unit will nominate representatives to collect ingredients for the preparation of their three daily meals from their designated food market. There will be four food markets, one located in each Hub, to serve all participant units.

Camp Cookbook

We're excited to announce that the WSJ 2027 Cookbook will be created in collaboration with Scouts from around the world! This project offers a wonderful opportunity for all Scouts—not just participants—to contribute their creativity, culture, and flavour to the Jamboree experience.

We invite Contingents to help spread the word and encourage contributions from across your organisations. Together, we'll create a truly global collection of ideas, stories, and recipes that celebrate our shared Scouting spirit. More information on how to contribute to the Cookbook will be shared in due time.

Participants will be welcome to follow recipes from the Cookbook, which will feature a well-balanced and diverse range of meal ideas, or experiment with their own creations using the ingredients available in the food markets. However, they choose to cook, it's all about sharing good food, great company, and international friendship.

IST Dining

The dining provision for the IST will follow a model similar to recent World Scout Jamborees, featuring a **large central dining hall** operated by a **professional catering company**.

Breakfast and **dinner** will be served in the dining hall, while **lunch** will be provided as a **takeaway meal**, collected during the breakfast period.

The canteen will be aligned with **the daily rhythm and operational needs** of IST members, ensuring that meal service times are **convenient and compatible** with their work schedules.

Dietary Requirements

The 26th World Scout Jamboree will take place in Poland, and our food suppliers will work closely with us to provide high-quality, diverse meals for everyone. The more you share about your dietary needs during the personal data registration, the better we will be able to prepare to meet them and ensure that all participants and volunteers are well catered for throughout the event.

What is meant by dietary requirements?

Dietary requirements may include preferences (such as vegetarian or vegan diets), faith-based or **culturally followed diets, medical or allergy-related restrictions**, and specific lifestyle choices. In line with the WOSM standard, food and catering arrangement will take into account and deliver special dietary requirements, especially religious and medical. Within this provision, it will be essential to ensure a balanced diet for all Jamboree participants.

What constitutes a standard diet in one culture may differ significantly in another. Clearly defining dietary profiles is crucial to ensuring that catering providers receive accurate information and can meet everyone's needs. It is therefore important to provide detailed and up-to-date information at the time of registration and to keep it current if it needs to change.

The registration form will include several **common dietary categories** for individuals to select, but this list is **not exhaustive**. If any dietary needs of a Contingent are not covered or may not be met through the standard information provided, contact the **Contingent Relations Department** for further guidance.

Diets linked to **severe allergies or medical conditions** — such as those that could result in life-threatening reactions such as anaphylaxis — must be communicated in detail. Highly specific or complex dietary needs, such as multiple allergies or uncommon medical or faith-based diets, should also be reported early. Further guidance on how to communicate those needs will be provided in an upcoming circular.

Accuracy is essential when specifying individual dietary requirements. What is considered customary in one culture may not be the same elsewhere. If a particular dietary consideration is important, it should be clearly indicated to ensure adequate preparation and appropriate provision.

Food Sustainability

The 26th World Scout Jamboree aims to promote **meat-reduced and environmentally responsible food choices**. This approach will be reflected in **both the Cookbook recipes and the menus served in the IST dining facility**.

Although the Jamboree will not be entirely meat-free, participants and volunteers are encouraged to support sustainability goals **by choosing options with a lower environmental impact whenever possible**. Clear information and guidance will be provided throughout the event to **promote responsible consumption and sustainability awareness**.

Food Success

A shared goal unites all participants: ensuring that everyone **eats well and enjoys** the dining experience at the Jamboree. The following reminders may help Heads of Contingent and their teams contribute to a smooth and positive experience:

- **Be considerate of others.** Those with early duties or activities should be allowed to move ahead at mealtimes.
- **Communicate with issues promptly.** Any problems or concerns should be reported immediately to the catering team so that they can be resolved quickly.
- **Be specific about dietary needs.** Provide accurate and detailed information for each individual to ensure correct provision.
- **Share information clearly. Never** assume prior knowledge; all relevant details help ensure appropriate support.
- **Ask questions.** Clarification is always welcome — unanswered questions help no one.

Be prepared to queue. Queuing is part of the Jamboree experience — and often where new friendships begin!

By following these simple principles, the Jamboree dining experience can remain **positive, inclusive, and enjoyable for everyone**.

Food Houses Pre-Information

International Food Houses

At the 26th World Scout Jamboree, we invite everyone to be brave and embrace a fresh approach to International Food Houses. Our vision is to create a vibrant Food Court and a festival atmosphere, featuring a central shared seating area, Contingent-led food and drink concepts arranged around the perimeter, and a stage at one end to host performances and entertainment.

We understand that some Contingents may wish to bring a more traditional-style Food House, and these can be accommodated within the Food House space. The goal is to bring everyone together in a shared environment, celebrating cultural diversity while maintaining each Contingent's unique identity.

This concept isn't just about food and drink—it's about sharing global experiences, culture, and friendship. Scouts are welcome to simply enjoy the atmosphere, music, and company.

By centralising most of the seating, we can create opportunities for smaller, lower-cost, and lower-footprint concepts, allowing more Contingents to participate. You might choose to serve a traditional dish, a regional drink, or even contribute through music, games, or performances on the stage.

Detailed information about Food Houses will be provided in a Circular in early 2026.

HEALTH AND SAFETY

ENRIQUE LEON - WORLD SCOUT BUREAU

Health Introduction

The health and safety of all participants is the highest priority during the 26th World Scout Jamboree. To make sure everyone feels safe and cared for, the Health and Medical Services Department has created a medical plan, built on experience from previous Jamborees and other large-scale events.

Medical services will be available at different levels across the Jamboree site. Every subcamp will have a First Aid Point, open day and night, where participants can receive basic help for minor injuries. Larger Hub Clinics will provide 24-hour care, with examination rooms, medical staff, and a doctor on duty. The Main Clinic will serve as the central unit with the widest range of diagnostics and treatment, including X-ray, ultrasound, and laboratory services. In addition, the site will be covered by mobile rescue teams and fully equipped ambulances, ready to reach participants quickly and transport them when needed.

The plan includes not only preventive measures, but also broadly understood support for participants. Particular emphasis is placed on hygiene, epidemiological safety, and health education. The medical supplies section remains an important pillar of the entire department. Participants with mobility needs, including those who use wheelchairs or crutches, will receive the necessary assistance and support.

An important part of this system is cooperation with Contingents. Their leaders and medical staff know their participants best and should be fully aware of their health conditions, including chronic illnesses, medicines and their storage needs (such as insulin), allergies, food intolerances, as well as mental health and wellbeing concerns. They should also collect contact information for parents or guardians.

Contingents are expected to prepare their members by explaining what type of medical help is available at the Jamboree and where it can be found. To support this, training will be organised – covering first aid and explaining the structure and capabilities of the medical system – so that both leaders and participants will know how to act in emergencies.

Volunteers will also play a key role. Within the International Service Team, qualified doctors, nurses, paramedics, and first aiders will support Health and Medical Services during the Jamboree. Volunteers from each Contingent will help share important medical information and provide basic health support within their groups.

Safety and Security

The Safety and Security strategy for the Jamboree is built on the principles of shared responsibility, prevention, proactivity, and preparedness, ensuring a safe environment without compromising the spirit of the event.

The approach emphasises partnership with local and state services, multi-format security systems, and preparatory training for leaders, Contingents, and IST. Accreditation and access control will be supported through ID badges, tiered access zones, managed vehicle entry, and Scout-run checkpoints.

Internal security will be maintained by IST and contracted personnel through risk-based patrols, enhanced night-time vigilance, incident reporting, and strategically placed stewards who act as both first responders and information points.

Perimeter security and collaboration with state services—including police, fire, and border authorities—will ensure external risks are minimised. Technology will underpin all operations, from surveillance to real-time communication, with an emphasis on maintaining an open and welcoming atmosphere.

A 24/7 Jamboree Emergency Operations Centre (EOC) will coordinate incident response. This ensures that all emergencies, from minor concerns to major incidents, are managed efficiently and consistently.

Safety is a shared responsibility. Through technology, training, partnership, and vigilance, the Jamboree will deliver a secure environment where Scouts can thrive, learn, and celebrate together.

Safe from Harm Introduction

The main focus of the Safe from Harm Programme at the World Scout Jamboree is safeguarding our youth members, but the programme has a wider scope. It also aims to safeguard adult attendees, reduce the risk of discrimination, avoid cultural misunderstandings, and support mental health. For the first time, the 26th World Scout Jamboree also brings access and inclusion into the Safe from Harm framework. Delivering a Jamboree that is safe from harm is a partnership between the Jamboree Organisation, WOSM and the HoCs.

Safe from Harm incidents change in character at every World Scout Jamboree. Originally, we focused mainly on how adults treat participants, but a safe environment should be provided to all. It is important to ensure that youth and adults alike know that holding a safe Jamboree is a joint effort, and to prepare everyone to keep themselves and others safe from harm.

We have specialist units to support you in achieving the Safe from Harm goal before and during the World Scout Jamboree.

Before the World Scout Jamboree

- Issue codes of conduct for adults and participants to set basic standards of behaviour. Everyone coming to the Jamboree must agree to comply with them.
- Provide compulsory e-learning for all adult attendees. This will be additional to any Safe from Harm/safeguarding training delivered by your National Scout Organisation.
- Provide a participant Safe from Harm learning experience to contingents. This will be delivered by adult Unit/Patrol Leaders as part of preparation for the Jamboree.
- Provide simple "Do's and Don'ts", similar to the conduct cards used by some National Scout organisations.
- Set up an Access & Inclusion User Forum to advise on achieving the best standards of accessibility and inclusion.
- Maintain a Safe from Harm reporting system in case pre-event incidents occur that need the involvement of the Safe from Harm team.

At the World Scout Jamboree

- Run a Listening Ear service in stations around the Jamboree site where people can seek help, report Safe from Harm concerns, or take a few minutes break from the excitement of the Jamboree. The Listening Ears will work closely with the mental health services provided by the Health & Medical Department and the host city, and with the Safe from Harm Operations Unit.
- Offer Listening Ear and Safe from Harm support at main arrival points and the Welcome Centre.
- Run a Safe from Harm Operations Unit to manage incidents that require further reviews and follow-up action. It will work with the leadership of the Jamboree and other local services when necessary.
- Run an Access & Inclusion troubleshooting team to help solve problems if they occur during the event.

Safe From Harm at the Jamboree^

The first step in making the Jamboree a Safe from Harm (SfH) event is prevention and education. The responsibility to create a fair, safe and respectful experience at the Jamboree is a responsibility shared among all the people engaged in this venture. Therefore, we will prepare a diverse range of learning experiences for everyone joining the Jamboree:

For all adults participating in the Jamboree, there will be a compulsory Safe from Harm e-learning course consisting of three modules:

- Module 1 – SFH at World and Regional Scout Events
- Module 2 – Safe from Harm at a Jamboree
- Module 3 – Safe from Harm at the World Scout Jamboree in Poland

All the modules will be available on the [Scout Learning Rosterfy - Volunteer Management Plattform](#).

After completing all three modules, you will receive a certificate, which is required to enter the Jamboree.

All adults visiting and working (e.g. contractors, guests) at the Jamboree will go through the compulsory Safe from Harm briefing.

We would like to engage in the safeguarding practices of the largest and the most important group at the Jamboree – participants. We will prepare a pre-Jamboree learning experience for participants, introducing them to the principles of safe behaviour, the Jamboree Code of Conduct, and preparing for the most common Safe from Harm challenges among youth participants.

Learning material will be distributed to the Contingents with a recommendation to pass it to the Patrol and Unit Leaders. It will include a range of different activities applicable in different settings: group meetings, individual engagement, and online participation.

Youth participants' learning experience will be available in the second half of 2026, giving almost a year for all patrols and units to use its content at their preparatory meetings.

It will not be a compulsory task to complete the participants' Safe from Harm Pre-Jamboree learning experience, but we do advise that each Patrol and Unit Leader will use it to introduce participants to the Safe from Harm measures.

Some of the preparation you can start even now! Part of the learning experience will be the Jamboree Code of Conduct, which you can find on the Jamboree website [here](#) for adults and [here](#) for participants.

We are dedicated to ensuring the safety and well-being of all participants and adults at the World Scout Jamboree, also through comprehensive safeguarding measures and fast reactions to incidents.

In the event of moderate and severe Safe from Harm incidents, the Safe from Harm Operations Unit may require assistance from the Contingent Management Team. Please make sure to choose one person among your CMT or one contact number, which will be an emergency contact number used for communication in the case of Safe from Harm incidents involving participants or adults that are a part of your Contingent.

Accessibility and Inclusion

Access and Inclusion at the Jamboree

The diverse needs of people today have inspired the 26th World Scout Jamboree to aim to be the most inclusive Jamboree in history! We want every one of our participants to be able to live the experience to the fullest. Our plan for Access and Inclusion (A&I) is about creating a truly safe, welcoming, and enriching environment for every single person, regardless of their background, culture, or abilities. Our commitment to inclusion has three main goals:

- To ensure every activity is thoughtfully adapted and flexible so no one misses out on the fun or learning (Programme Inclusion);
- To create a warm environment where everyone feels respected and empowered to make new friends and connections (Social Inclusion);
- To guarantee that essentials—like food, water, medical support, and emergency response—meet the specific needs of our incredibly diverse community (Services & Facilities Inclusion).

Bravely Building an Inclusive Experience

This vision is built on five core principles, which guide all our planning:

- Universal Design means designing the camp to be usable by the widest range of people from the start;
- Accessibility ensures everyone has the support they need to participate fully on an equal footing;
- Inclusion actively builds a culture where everyone feels truly welcome and valued for their unique contributions;
- Equity recognizes different needs and ensures resources are tailored to achieve fair outcomes;
- Reasonable Adjustments (RA) are specific, necessary modifications to enable a person's full participation when general design isn't enough.

We believe everyone should have the chance to participate Bravely—and that means eliminating barriers so they can.

Access and inclusion cover a wide range of issues, including, but not limited to:

- Mobility and physical accessibility; other physical impairments (like hearing and visual issues), along with injuries and illnesses that affect physical functions;
- Neurodiversity/neurodivergence (including learning difficulties and disabilities);
- Dietary requirements (including allergies, intolerances, religious/cultural needs, and health requirements);
- Mental health issues;
- Questions of identity, faith, and culture.

The Jamboree will use universal design principles and provide tailored support when necessary to ensure participants can fully engage.

The A&I Team is Here to Help

Our dedicated A&I Team provides both advisory and support functions across all Jamboree services. A majority of this work takes place pre-Jamboree to proactively address needs and ensure the best possible experience.

During the event, you'll see the A&I Team working in several key areas: they'll be supporting the Sensory Friendly "Safe Zones" provided in hubs near Listening Ear (LE) stations. The A&I Lead Team will be working with the Safe from Harm Operations Unit to investigate and resolve issues that arise. They will serve as a common ground to bring together the right Jamboree department and/or Contingent to find a resolution, and the Jamboree will provide accessible channels for reporting and resolving any access and inclusion issues that arise.

It Takes All of Us!

The success of this entire initiative is a shared responsibility, with specific duties for everyone involved. The Heads of Contingent have a vital role to play. It starts with the engagement of Contingent Management Teams to plan support for their Contingent members. To guarantee that a participant or adult gets the support or Reasonable Adjustments they need, the HoC must provide the Jamboree Planning Team with all necessary particulars of their member's needs during the registration process. This timely communication is essential for us to plan and guarantee that the right support is ready and waiting!

How can you help as the Head of Contingent?

- While registering your Contingent members, make sure to collect and provide to the Jamboree Planning Team all necessary data related to accessibility and inclusion needs. In the absence of this information, or its late arrival, we cannot guarantee to provide support or reasonable adjustments.
- Plan to support these individuals at the Jamboree to give them the best possible experience. This may include allowing additional carer/helper support, special equipment, and your knowledge of the individuals' support needs and how to meet them.
- Be mindful that while bringing a carer/helper for a participant, the number of people allowed in the patrol (10 people in total) does not change.
- Note that ensuring that your Contingent member with additional accessibility or inclusion needs attends the Jamboree with necessary equipment or additional carer lies within your responsibility. Make sure with participant or adult, that they inform you what kind of equipment they need.
- Assign within your CMT members one person who will be a contact point for Access and Inclusion related communication with Subcamp Management and/or A&I Lead Team

Adult Unit/Patrol Leaders and International Service Team (IST) members will also have specific duties to support this effort. Adult Patrol Leaders should be aware of the diverse needs of the participants under their care and actively communicate and collaborate with their Contingent Management Team

Listening Ears

Listening Ear at the Jamboree

Listening Ears are IST members trained to provide support to youth and adults by listening to the challenges they may be facing, particularly during times of emotional or mental difficulty. They play a crucial role by offering a compassionate ear to those in need.

Did you know that during the 26th World Scout Jamboree, there will be over 100 Listening Ears ready to support you? We want to create a safe space where everyone - participant, Patrol Leader, IST, or CMT - feels cared for, heard, and understood when facing difficulties.

Several Listening Ears stations will be in Hubs and other key locations, such as Plaza and programme venues.

At each Listening Ear station there will be a Safe Zone – a quiet place for reduce overstimulation and give a space for those who need a moment after Listening Ear support before joining an intense Jamboree experience. It will be also a safe space for participants and adults after receiving medical assistance.

The stations will be open throughout the day. Listening Ear support will also be available during central events. At each Listening Ear station there will be a Safe Zone – a quiet place for reduce overstimulation and give a space for those who need a moment after Listening Ear support before joining an intense Jamboree experience. It will be also a safe space for participants and adults after receiving medical assistance.

Be a Brave Listening Ear Ambassador!

The role of a Listening Ear is of special importance when it comes to ensure a wellbeing at the Jamboree. There are several good practices to consider while preparing for the Jamboree.

You can help us a lot by encouraging suitable candidates to apply to become Listening Ears ISTs. You may not be joining us, but someone in your NSO might be a perfect fit!

If you find our mission as important as we do, don't hesitate to share this opportunity with your colleagues! Help us find those amazing individuals! They don't have to be psychologists. We are looking for people who are open-hearted, have a clear understanding of what Safe from Harm stands for, and possess good communication and language skills.

Please forward this message to leaders, volunteers, or anyone in your MO who you think would be an amazing addition to our team and should join our upcoming recruitment process. They will also receive a special training for this role during their IST onboarding process.

If you are a Head of Contingent, you can also consider appointing an internal Listening Ear(s) in your Contingent as a part of CMT. This way the participants and ISTs from your Contingent will have an easy access to the emotional and psychological support in their native language.

DETAILED ARRIVAL LOGISTICS AND LOGISTICS OF CHECK-IN-CENTRE^

Arrival and Departure Dates

IST are expected to arrive on 27 July and depart on 10 August. Participants (patrols) are expected to arrive on 29 July and depart on 9 August.

Arrivals for participants take place exclusively in patrols. Unaccompanied minors are not allowed to report to the Check-in Centre on their own — every Youth Participant must arrive with their patrol.

ARRIVALS AND DEPARTURES TIMETABLE

The table below presents an overview of arrival and departure detail per each category of participants. Please note that **each group is not allowed to arrive prior to the designed date.**

Group	Arrivals	Check-in centre operating hours	Frist meal provided on site	Departures	Last meal provided on site
CMT	From 25 July to 28 July	On 25 July: 8:00-0:00 From 26 July: 24h/day	Lunch on 25 July	10 August	Breakfast on 10 August
IST	From 27 July to 28 July	From 27 July: 24h/day	Lunch on 27 July	10 August	Breakfast with packed lunch on 10 August
Participants (arriving only in units or patrols)	29 July (main arrivals), additionally: 30 July	From 29 July: 24h/day until 30 July: 5:00 (am)	Dinner on 29 July	9 August	Breakfast on 9 August

All CMT are expected to be at the Jamboree site by midnight on 28 July 2027.

All IST are expected to arrive at the Jamboree site no later than **midnight on 28 July 2027**. However, due to training sessions and preparations for the participants' arrival, IST are expected to arrive on **27 July 2027**.

All participants are expected to be at Jamboree site by 30 July 2027 by 5 a.m.

Official Entry Points

The following locations have been designated as Official Entry Points:

- Gdańsk Lech Wałęsa International Airport (GDN),
- Gdańsk Główny railway station,
- Gdańsk ferry terminal,
- Gdynia ferry terminal,
- AmberExpo Parking

Check-in Centre (AmberExpo)

The Check-in Centre will be located at AmberExpo (Żaglowa 11, Gdańsk), an exhibition and trade hall.

All participants arriving at the Official Entry Point will be transported by shuttle to the Check-in Centre, where the check-in process will take place before being taken to the Jamboree site. Participants arriving by their own buses to the Entry Point "AmberExpo Parking" will continue their journey to the Campsite with the same buses after completing the check-in process.

Entry to the Jamboree Campsite is not permitted without first completing the check-in at the Check-in Centre.

No individuals or vehicles will be allowed to enter through the Jamboree gates without having first passed through the Check-in Centre.

Details about arrivals and departures, and check-in procedure will be provided in a dedicated circular.

Check-in Process

The Check-in Centre will operate 24 hours a day throughout the arrival period from 26 to 29 of July. CMT, IST, and Unit Leaders must report directly to the designated desks at the Check-in Centre.

In the case of units, one designated Adult Patrol Leader (Unit Leader – one of the four Adult Patrol Leaders in the unit) will be required to report to the check-in desks to complete the check-in process for the entire unit. In exceptional circumstances, the check-in process may be carried out by Adult Patrol Leaders for individual patrols.

Information Required at the Check-in

For all Adult Participants (HoC, CMT, IST, APL)

- a valid identification document (for example a passport or other government issued photo identification),
- completion of the Safe from Harm training, as recorded in the registration system (no certificate or screenshot required),
- up to date departure information, including departure date and time or flight number.

Additional information required from Unit Leaders

- patrol codes,
- a complete list of participants being checked in.

Once the verification process has been completed, participants will receive their personal accreditation badges and Jamboree Scarves and will be transported to the campsite.

IST, CMT, and APL are required to complete the Safe from Harm training. Completion of the training before the Jamboree is mandatory and will be verified through the registration system. Adults who have not completed the Safe from Harm training will not be granted access to the Jamboree site until the course has been completed.

If someone does not complete the training in advance, they will have to complete it at the Check-in Center. **This is not recommended, as the training lasts two hours and will delay the entire check-in process.**

CARGO*

Cargo Shipping to the Jamboree Site

To ensure smooth setup and access to equipment, Contingents are encouraged to plan shipments of items they wish to send to the Jamboree site in advance. The Jamboree Warehouse accepts 20ft containers, pallets, and truck trailers for advance delivery and storage during the Jamboree.

Storage of Shipments

All containers, pallets, and truck trailers will be stored outdoors. Though still outdoors, pallets will be stored under cover at the Jamboree site. To protect your items, pallets should be wrapped in plastic and secured with pallet collars.

Access Before the Jamboree

Each Contingent is responsible for transporting items from their containers, pallets, or truck trailers to their intended locations on the Jamboree site. A small lorry can be rented from the Jamboree Organisation if needed. All use of private or Jamboree-rented lorries must take place before the arrival of IST (27 July 2027), as strict vehicle controls will be enforced on-site once the Jamboree begins. Vehicle Access and Parking Permits will need to be issued accordingly. The relevant procedures and requirements will be outlined in a future circular.

Access During the Jamboree

During the event, only Contingent Management Team members and designated IST are allowed to access the Jamboree Warehouse to retrieve equipment and materials. Youth participants and Adult Patrol Leaders are not allowed into the warehouse area. VAPPs will be required for the access during the Jamboree. Further details will be provided in a future circular.

Customs and Regulatory Considerations

Poland has strict rules about what can be brought into the country, including food, medicines, and plants or soil. Contingents are fully responsible for making sure all shipments comply with Polish customs and import regulations. This covers customs clearance, handling, and all required documentation. Any items sent without proper documentation or in violation of these rules may be delayed, refused, or even confiscated by relevant Polish authorities. Contingents are strongly encouraged to review all regulations in advance and work closely with their national authorities or freight forwarders to ensure smooth delivery. Contingents are also responsible for arranging appropriate insurance cover for any items they ship to the Jamboree site, including cover for transport, storage, handling, loss, damage, delay, and return shipment.

Further Information

Additional details regarding shipping procedures, storage, and handling requirements will be provided in a future circular.

SOLIDARITY OPERATION^

The aim of the Solidarity Operation for 26th World Scout Jamboree is to ensure that at least one patrol from each WOSM Member Organization from Category A and B countries will be present during the event.

What is offered

We offer support for one patrol that consists of 9 youth participants (PAX) + 1 Adult Patrol Leaders (APL) + 1 additional adult. If participants are both female and male, adult patrol leader and additional adult should be female and male.

We assume that the additional adult (the eleventh person) will serve as a member of the Contingent Management Team (CMT) during the event itself.

Costs which will be covered within the Solidarity Operation include:

- Registration fees for 9 PAX and 1 APL + 1 additional adult
- Transportation costs from the home country to the Jamboree site,
- Visa fees (if applicable),
- Sleeping tents,
- Sleeping bags and camping mattresses.

Each Solidarity Patrol will also receive the same cooking and camping equipment as all other patrols.

Who can apply

Every member organization from Category A and Category B countries.

How to register a Solidarity Patrol

A Solidarity Patrol is registered in the same procedure as other patrols. During the registration process, a Solidarity Patrol should be included in the total number of patrols that are being registered. When registering, the additional adult for the Solidarity Patrol should be registered as a CMT member.

Example: If you register only the Solidarity Patrol you will register 1 patrol and 1 CMT member.

For each Member Organization from Category A and B countries, one of the patrols which will be registered and 1 CMT member, will be treated as a Solidarity Patrol and Jamboree fees for that patrol will not be calculated.

How to get more information

If you have questions concerning the Solidarity Operation, please contact us directly at solidarity@wsj2027.pl

Connecting patrols into units

Like for any other single patrol, with the support of the Jamboree Organisation, individual Solidarity Operations patrols (9 participants and 1 adult) will be grouped together with other patrols to form a complete unit of 36 participants and 4 adults. Patrols are also welcome to arrange their own grouping. If they do so, they should inform the Jamboree Organisation so that these patrols can be assigned together as one unit.

How can I help

We encourage individual Contingents to actively support representations from Category A and B countries in their efforts to participate in the Jamboree. This support can take various forms, for example, logistical assistance such as sharing transportation resources. Additionally, Contingents are encouraged to integrate representatives from these countries into their own preparation processes to foster inclusion and ensure a smoother experience for all participants. Such collaborative efforts not only strengthen international solidarity but also contribute to a more diverse and enriching Jamboree environment. We are raising funds to enable Scouts from around the world to take part in Jamboree. Jamboree is a place where young people can feel part of an international community. It's a place where they can meet people from the other side of the world, who may be very different from themselves. It is a lesson in diversity, a lesson in building peace, a lesson in independence. This is why it is so important that representatives from all 176 National Scouting Organisations can participate in the event.

Gdańsk is a City of Solidarity, but the Jamboree is also such a place. "City of Solidarity" is a symbol of our collective strength, courage, and readiness to act for those most in need. All of us can contribute to

enabling Scouts from countries all over the World to participate in the Jamboree. This operation aims to support Scouts from diverse backgrounds and promote the values of Solidarity and inclusion. Individuals can donate and become part of the Solidarity Operation. The second option is to set up your own fundraising campaign and collect 10,000 euros to finance the participation of an entire patrol. People can also purchase specially marked products in the Jamboree shop to support the Solidarity Operation.

More info you can find: <https://www.jamboree2027.org/solidarity/>

On the HoC Base, you can find materials that can be used in Contingents' social media to promote the Solidarity Operation campaign.

CODE OF CONDUCT*

To ensure that the World Scout Jamboree 2027 is a safe, inclusive and welcoming environment for all attendees, a Code of Conduct for both Adults and Youth Participants has been developed. As stated in 8.1 Jamboree Regulations of the Terms and Conditions of the 26th World Scout Jamboree, these Policies clarify the expected behaviour of all people at the Jamboree and have been set in alignment with WOSM Guidelines and Policies. Included in these Terms and Conditions are the repercussions when someone is in breach of regulations, code of conduct, safe from harm or local laws (8.4 Penalties and Expulsion)

Code of Conduct for Adults

Welcome to the 26th World Scout Jamboree Poland 2027! We are all committed to creating a safe, inclusive, and welcoming environment for all attendees. This Code of Conduct outlines the expected behaviour of all adult participants, including observers, guests, volunteers, contractors, and staff, during the event.

1. Respectful Behaviour

- 1.1. Always be honest, speak respectfully, and treat people and property with care.
- 1.2. Respect cultural diversity, opinions, and perspectives, promoting peace and inclusivity.
- 1.3. Avoid offensive language, discriminatory actions, and inappropriate behaviour.

2. Compliance with Rules and Laws

- 2.1. Follow Jamboree rules, the Safe from Harm policy, safety protocols, and Polish law.
- 2.2. Always wear the Jamboree ID unless otherwise instructed for safety reasons.

3. Boundaries and Privacy

- 3.1. Respect access restrictions and do not enter private areas unless you are invited.
- 3.2. Avoid unwelcome physical contact and treat others with respect. Do not engage in teasing, bullying, harassment, discrimination, fighting, shouting, or any form of abuse.
- 3.3. Respect personal boundaries. Do not touch others without their clear permission.

4. Appropriate Use of Technology

- 4.1. Do not share indecent, abusive, threatening, or illegal content via social media or other platforms.

5. Dress and Conduct

- 5.1. Wear appropriate clothing for a Scout event and ensure privacy while changing.
- 5.2. Do not disrespect others for their clothing choices.

6. Environmental Responsibility

- 6.1. Keep all spaces clean, properly dispose of trash, and follow sustainability policies.

7. Safe from Harm Compliance

- 7.1. Safeguard the physical, emotional, and psychological well-being of others.
- 7.2. Do not engage in any inappropriate relationships with young people and recognise that sexual relations with anyone under 18 years of age are strictly forbidden and violate WOSM's Safe from Harm policy as well as Polish law.
- 7.3. Understand and recognise your duty to report any harmful or abusive situations you witness or experience.
- 7.4. You have a duty to protect participants, and to promote and comply with all elements of the Safe from Harm training and rules to ensure a safe Scouting environment at the Jamboree.

8. Substance Use and Prohibited Items

- 8.1. Smoking and vaping are allowed only in designated areas.
- 8.2. The use, possession, sale, or misuse of alcohol and illegal drugs is strictly prohibited at all Jamboree venues, both on- and off-site, for the entire duration of the event. Additionally, energy drinks are strictly prohibited for minors (under 18).
- 8.3. Drones, firearms, fireworks, indecent material, any weapons, are forbidden for all attendees.
- 8.4. Gambling in any form and selling items is prohibited.

9. Other Regulations

- 9.1. Swapping badges, patches, souvenirs and other items is only allowed with other adults (over 18).

As an adult person at the World Scout Jamboree, I commit to adhering to this code of conduct and all Jamboree regulations. If I am a member of the World Scouting, a National Scout Organisation, a Contingent, or the Jamboree Organisation, I will also uphold the principles of Scouting by following the Scout Promise and Law.

Code of Conduct for Youth Participants

Welcome to the 26th World Scout Jamboree Poland 2027! We are all here to have fun, make friends, and stay safe. To make sure everyone has the best time, please follow these simple rules:

1. Be a Good Scout

- 1.1. Remember your Scout Promise and uphold the Scout Law.
- 1.2. You are representing your Scout group, your country, and yourself.

2. Be Kind and Respectful

- 2.1. Always be honest and speak politely.
- 2.2. Treat everyone and everything (like property and nature) with care.

3. Follow the Rules

- 3.1. Wear your Jamboree ID at all times unless instructed otherwise for safety reasons.
- 3.2. Follow all safety rules and laws of Poland.
- 3.3. Listen to trusted adults and Scout leaders, follow their instructions, and adhere to the Jamboree schedule.

4. Respect Personal Spaces

- 4.1. Enter campsites only if you are invited.
- 4.2. Do not enter restricted or prohibited areas.
- 4.3. Sleep in your own campsite at night and respect quiet hours.

5. Be Safe with Others

- 5.1. No teasing, bullying, fighting, shouting, or hurting others in any way.
- 5.2. Be respectful of everyone's personal space. Always ask before touching someone.

6. Be Responsible Online

- 6.1. Do not share photos, messages, or posts that are mean, rude, or inappropriate.

7. Celebrate Diversity

- 7.1. Be respectful to all cultures and people.
- 7.2. Dress appropriately for activities. Do not change clothes in public areas.
- 7.3. Avoid saying or doing anything offensive or harmful to others.

8. Keep It Clean

- 8.1. Always throw your trash in bins and keep the Jamboree clean.

9. No Bad Stuff

- 9.1. Do not carry, share, or use alcohol, cigarettes, energy drinks, illegal drugs, or anything dangerous (like weapons or fireworks).

10. Trading Items

- 10.1. You can only trade badges and souvenirs with Scouts aged 14-17 (other Youth Participants).

10.2. You can't sell things to others.

10.3. You can't play games where you bet money.

As a participant attending the 26th World Scout Jamboree, I agree to behave as required by the Code of Conduct. My commitment is to do my best to keep everyone safe and to make the Jamboree experience the best it can be - for myself and everyone else.

SUBCAMP LIFE

A Larger, More Connected Jamboree

The World Scout Jamboree will be organized into **four large hubs**: Yellow, Red, Green, and Purple. Each hub will host **four subcamps**, giving us a total of **16 participant subcamps** across the site.

RED HUB	PURPLE HUB	YELLOW HUB	GREEN HUB
 TULIP TULIPE	 ASTER ASTER	 DAISY MARGUERITE	 PINE PIN
 COSMOS COSMOS	 MALLOW MAUVE	 BIRCH BOULEAU	 WILLOW SAULE
 REED ROSEAU	 VIOLET VIOLETTE	 LILLY LIS	 HAZEL NOISETTE
 OAK CHÊNE	 ELDER SUREAU	 FERN FOUGÈRE	 NETTLE ORTIE

Every subcamp will bring together around **2,250 participants**, divided into approximately **56 units**. Units consist of four patrols camping together. In the case a Contingent will not be able to register full units by themselves, international units will be formed to camp together on one unit site. The Units remain the central element of camp life, providing a home base for up to **40 participants**, including leaders and carers. This structure ensures that the Jamboree feels both global and personal, with opportunities for large-scale community experiences as well as intimate, unit-level bonding.

Living Arrangements and Equipment

Units will be provided with the essential infrastructure to support daily life. Each unit will receive:

- **Dining shelter**
- **Tables and benches** to seat all 40 members.
- **Cooking equipment**, provided in coordination with the Food Team.

Participants should prepare by bringing at least:

- **Sleeping tents.**
- A **sleeping bag** suited to the climate. Temperatures can drop as low as 5 degrees Celsius (43 degrees Fahrenheit) overnight.
- A **camping mattress or foam pad**, as the ground will be cold.
- A **personal eating kit** (knife, fork, spoon, chopsticks, mug, plate, and bowl).
- A **water bottle** and their **Scout uniform**.

This combination of provided resources and personal equipment is designed to ensure comfort, safety, and readiness for an active Jamboree experience.

Subcamp Design and Facilities

Each subcamp will be laid out to balance practicality with community spirit. Highlights include:

- **A subcamp gate**
- A welcoming **Subcamp Office and reception desk**.
- **Covered programme areas** and a **small stage** for activities and performances.
- Dedicated areas for **subcamp staff**, including meeting tents and storage.
- Facilities such as **powerbank charging stations** and **refrigeration** for medication to support participants' needs.

Each unit of 40 participants will have an area which will measure about 20m x 25m with a total area of 500m² (some will vary in shape, most but not all will be a rectangle)

Units themselves will have structured layouts, with sleeping tents organized for clarity and comfort:

- **Tents** for youth participants.
- **Tent(s)** for unit leaders, it's suggested to use different colours (or another marker) to make them easy to identify.
- A sample unit layout (tents of 2.3m x 2.1m):

Subcamp Programme

Life in the subcamps will be dynamic and varied, with activities designed to build community and enrich the Jamboree experience. Participants can look forward to:

- **First day quest** to help units settle in.
- The **Solidarity Badge**, a series of activities throughout the Jamboree.
- **Cultural events**, offering half-day sessions that highlight diversity and global exchange.

Free-time opportunities will also be a big part of subcamp life, with access to:

- Outdoor playing equipment and quiet zones.
- Badge swapping and board games.
- Informal performances on the subcamp stage.

Supporting Leadership and Community

Unit leaders play a key role in shaping the experience of young people at the Jamboree. To support them, **daily Unit Leaders' Meetings** will be held, with four clear objectives:

- **Information Sharing** – ensuring all leaders are up to date on programme, logistics, and safety.
- **Subcamp Coordination** – managing day-to-day operations for a smooth camping experience.
- **Q&A and Feedback** – answering questions, collecting input, and improving delivery.
- **Community Building** – fostering a network of support and friendship among leaders.

These meetings ensure not only the smooth running of the Jamboree but also the growth of a strong leadership community.

SUSTAINABILITY

We have a brave vision of a sustainable Jamboree

Sustainability is the ability to meet current needs without compromising the ability of future generations to meet their own needs, balancing environmental, social, and economic factors.

Our vision is to have a Jamboree where Scouts, through their brave actions, think about others by respecting the environment and by making use of minimal natural material so as not to cause harm to the environment. Living a simple lifestyle where we make sure that there is no needless overconsumption of resources.

At the 26th World Scout Jamboree, sustainability will be at the heart of everything we do. Our dream is to host an event that meets today's needs without harming the ability of future generations to meet theirs. This means balancing care for the environment, supporting people and communities, and making smart economic choices.

Sustainability is not just about reducing waste and emissions – it's also about how we live and work together. During the Jamboree, participants will explore four clusters of sustainability:

- Material Life Cycle,
- Emissions,
- Social,

Each Contingent, together with the Jamboree Organisation, has the responsibility to act responsibly and minimise their environmental impact.

From using fewer single-use plastics and choosing sustainable transport, to creating an inclusive and welcoming community, every action matters. By working together, we can live simply, respect nature, and ensure that the Jamboree leaves a positive legacy for Scouts, local communities, and the world.

Firstly, we focus specifically on travel because it is often the largest source of emissions and a key area where Contingents can start planning and acting early. However, this is just the beginning.

Traveling Sustainably to the World Scout Jamboree in Poland

Attending a World Scout Jamboree is a once-in-a-lifetime experience — a celebration of friendship, learning, and global community. But as Scouts, we also have a responsibility to care for our planet. One of the biggest impacts of international events like the Jamboree is the carbon footprint created by travel.

With Contingents coming from every corner of the globe, **making sustainable travel choices is one of the most powerful ways we can reduce our environmental impact.**

Here's how you and your Contingent can make your journey to Poland as sustainable as possible — wherever in the world you're coming from: — wherever in the world you're coming from:

1. Rethink the Way You Travel — If You Can, Go Overland

For European Contingents and nearby regions:

If your journey to Poland is less than 2,000 km, the most sustainable option is almost always to travel by **train, coach, or bus** instead of flying. Rail travel produces **up to 90% less CO₂** than flying the same distance. Consider organising a **group train journey** or a **chartered coach** to travel together. Not only does this significantly lower emissions, but it also extends the Jamboree spirit — the adventure begins the moment you leave home!

- **Trains:** Use Europe's extensive rail network and combine international trains with local services.
- **Coaches:** For groups, coaches can be efficient and cost-effective.
- **Local travel:** Once in Poland, use public transport, or shared shuttles to reach the Jamboree site.

2. If Flying Is Necessary — Make It as Green as Possible

For intercontinental Contingents:

Flying may be the only practical way to reach Poland. But there are still ways to reduce your impact:

- **Select airlines with modern, fuel-efficient fleets:** Some airlines invest in more efficient aircraft and use sustainable aviation fuels (SAF).

- **Offset your emissions responsibly:** Many organisations offer carbon offsetting for flights — but choose certified projects that provide long-term climate benefits and social value (e.g., reforestation, renewable energy in developing regions).
- **Travel light:** Every kilogram on board increases fuel use. Packing minimally as a group reduces total emissions.

3. Combine Your Jamboree Journey with a Sustainable Programme

Instead of viewing the trip as a simple return flight, consider integrating educational and environmental activities into your travel:

- **Climate action projects:** Partner with local Scouts or NGOs along your preparations for tree planting, clean-ups, or biodiversity projects.
- **Stopovers with purpose:** If you need a layover, use it to visit a sustainability-focused site or museum, or to connect with local Scout groups.
- **Carbon literacy workshops:** Teach participants about the climate impact of travel and empower them to make low-impact choices in the future.

4. Travel as a Team — and Think Beyond the Jamboree

Group travel isn't just fun — it's also more sustainable. Coordinating transport reduces per-person emissions and often costs less. And the impact doesn't stop when the Jamboree ends: consider how participants return home and how lessons learned about sustainable mobility can inspire action in your own communities.

- **Group bookings** can unlock diScoutnts on trains or buses.
- **Shared luggage and equipment** means fewer resources are needed.
- **Post-Jamboree sustainability goals** help Scouts continue the journey toward climate action at home.

5. Lead by Example — Scouts as Climate Stewards

The World Scout Jamboree is more than just an event — it's a symbol of our commitment to building a better world. By choosing sustainable travel options, we show that Scouting is serious about tackling the climate crisis. Each small decision — from taking the train instead of a plane, to offsetting a necessary flight, to sharing a bus with another Contingent — adds up to a global difference.

Remember: The journey is part of the Jamboree. By making it as sustainable as possible, we not only reduce our environmental footprint but also live out the Scout promise — leaving the world a little better than we found it.

INSURANCE

All participants of the 26th World Scout Jamboree are required to have valid medical and travel insurance covering the full duration of their stay in Poland, including travel to and from the event. Medical facilities at the Jamboree site will be provisional and limited to first aid and pre-hospital care only. Any further treatment will be provided in local hospitals or clinics at the participant's own expense. The Jamboree fee does not include costs related to medical examinations, hospitalisation, or treatment of injuries or illnesses. Therefore, it is the responsibility of each participant – and ultimately the Head of Contingent – to ensure that adequate insurance cover has been arranged.

For participants **requiring a Schengen Visa**, travel medical insurance is mandatory under European Union regulations. The policy must provide a minimum coverage of EUR 30,000 for emergency medical treatment, hospitalisation, medical evacuation, and repatriation. The insurance must be valid throughout the entire **Schengen area**, which includes most EU countries, and for the full duration of the planned stay. Proof of such insurance is required when applying for a visa and must be presented to consular authorities.

For participants **from EU or EEA countries**, it is recommended to bring a **European Health Insurance Card (EHIC)**, which provides access to necessary medical treatment under the same conditions as local citizens. However, the EHIC does not cover all costs, such as private healthcare or medical repatriation. Therefore, it is strongly recommended that all participants – including EU citizens – obtain additional travel insurance covering medical emergencies, travel disruptions, and other unexpected expenses.

JAMBOREE TERMS AND CONDITIONS EXTRACT

Registration and Participation Fees

NSO Event Fee Category	Early Bird Participant Fee	Regular Participant Fee	Early Bird IST/ CMT Fee	Regular IST/ CMT Fee
Category A	1500 PLN	1600 PLN	1350 PLN	1440 PLN
Category B	3000 PLN	3200 PLN	2700 PLN	2880 PLN
Category C	4500 PLN	4800 PLN	4050 PLN	4320 PLN
Category D	6000 PLN	6400 PLN	5400 PLN	5760 PLN

Registration will be based on an electronic registration system.

The allocation numbers for each NSO's contingent will be based on the submitted Contingent Allocation form, which is due no later than **1 November 2025**. After reviewing each NSO's request, the actual contingent allocation will be confirmed by the Jamboree Organisation no later than 1 December 2025. This allocation will specify the number of participants, ISTs, and CMTs expected to attend the event, and binding invoices will be issued based on these numbers.

Early Registration Fees (Early Birds) are available. For the Early Registration Fee, the Contingent Allocation Form must be submitted by **1 July 2025**. The Jamboree Organisation will review each NSO's request and in consultation with WOSM confirm the actual contingent allocation no later than 1 August 2025. It is strongly advised not to confirm any registrations in the NSO's internal systems before receiving the Contingent Allocation confirmation from the 26th World Scout Jamboree.

To secure the Early Registration Fee, an **Early Registration Deposit of 30%** of the regular fee must be transferred by **1 September 2025**, based on the submitted Contingent Allocation Form as confirmed by the Jamboree Organisation. Failure to transfer payments on time will result in invoicing according to the general registration rules, and the discount will not be applied.

Contingents that have paid the Early Registration Deposit will continue with further payments as outlined in section 4.4. of Terms and Conditions. The final (fourth) instalment will be reduced to match the Early Registration Fee. The participation fees are based on the National Scout Organisation (NSO) event fee categories that can be found in the table at [WOSM's Treehouse](#). There are different fees for participants (Adult Patrol Leaders and youth participants and IST, CMT members).

Payment of the deposit will guarantee the number of registered participants per contingent. The deposit for each registered person is 10% of the Jamboree Fee or Early Registration Deposit of 30%.

A deposit will be applied to the contingent concerned, not individuals. An amount of 10% of the Regular Fee will not be refunded under any circumstances, including Early Registration. Contingents who do not confirm their allocation with the deposit by 1 February 2026 are at risk of finding limited capacity for their contingent. Accurate allocation request ensures a healthy Jamboree budget. Once the initial allocation request is submitted and approved, NSOs may request a **one-time of maximum 10% adjustment** in approved Contingent Allocation. The 26th World Scout Jamboree reserves the right to cancel the allocation of any National Scout Organisation contingent that misses payment deadlines.

For more details on what the fees include, the payment schedule and the rules, please refer to the Terms and Conditions of the 26th World Scout Jamboree.

Terms & Conditions

Kindly refer to the full terms and conditions, which you can find here ([Appendix 2](#)).

How to Form a Contingent

NSOs in good standing with WOSM may apply to attend the 26th World Scout Jamboree. NSOs with multiple National Scout Associations (NSAs) must form a single NSO National Contingent for the Jamboree. Each NSO will appoint a Head of Contingent (HoC) who will lead the contingent. The HoC cannot participate as an Adult Patrol Leader or IST member during the event.

NSOs are encouraged to select and register their HoC before 1 November 2024. After registration, the HoCs will receive further information about the first HoC meeting.

HoC Appointment Form

<https://www.jamboree2027.org/HoC-appointment-form>

Young people aged 14 through 17 at the start day of the Jamboree are eligible to participate in the 26th World Scout Jamboree as youth participants (those born after 30 July 2009 but not later than on 30 July 2013). Participants will be registered in patrols of 10 persons: 9 youth participants and 1 Adult Patrol Leader (APL). Four patrols will form a unit.

Adult volunteers can also join as a member of the IST. The IST is essential to the successful execution of the Jamboree. NSOs are encouraged to recruit suitable adults for the IST.

The HoC is supported by a Contingent Management Team (CMT). The team consists of adult volunteers responsible for taking care of the youth participants and managing the finances, communications, and logistics of the contingent. The 26th World Scout Jamboree requests a minimum of one CMT member for contingents of up to 18 participants and two CMT members for larger contingents. An overview of the maximum number of CMT members is explained in the table below.

No contingent may have more adults (total of ISTs and CMTs) than youth participants, except for the host NSO.

Adult volunteers must be 18 years old at the start of the event (born on or before 30 July 2009). This includes APLs, members of the IST and members of the CMT.

Number of participants	Number of CMT
1- 18	1 to 2
19 - 36	2 to 3
37 - 72	2 to 5
73 - 144	2 to 8
145 - 288	2 to 14
289 - 576	2 to 22
577 - 1,557	2 to 30
1,558 - 2,304	2 to 40
More than 2,305	Please discuss with the Jamboree Organisation

There will be opportunities for CMTs to meet online and take part in a study visit in Poland. For further details, please refer to the preparation's timeline. The first meeting will be held online 11 December 2024 and then repeated on 12 December 2024 for those who cannot attend the first date.

CONTACT DETAILS^

For general inquiries about your contingent

Questions regarding contingents can be directed to the Contingent Relations Department via contingents@wsj2027.pl.

Within the team, volunteers are assigned for each NSO. They are in your Scout Region and therefore very aware of the different aspects specific to the contingents in your area.

As they are also working in the time zone of the region, it is easy to reach out to them.

Communication Means

We are delighted to be working closely with all of you as preparations for the Jamboree move forward. Most of you already know that we can be reached at contingents@wsj2027.pl, and we are always happy to answer your questions through that channel.

Additional information can be found on the HoC Base and in the Secured Area of the HoC Base. If you do not yet have access to the Secured Area, please contact us via email so we can arrange a login for you.

The Secured Area contains more detailed resources on a range of topics, including our Circulars and materials from HoC Meetings.

[Link to the Secured Area here.](#)

At HoC Meeting #2, we also introduced Slack for CMT. We are currently setting this up to support different CMT groups. Once it is ready for wider use, we will share further details with you.

Our aim is to make communication with us as smooth and accessible as possible. For major questions or official matters, however, we kindly ask that you continue to email us at contingents@wsj2027.pl.

A1 DATA PROTECTION

Information notice on the processing of personal data of stakeholders of the 26th World Scout Jamboree during the Planning Stage

July 2024

IMPORTANT INFORMATION - PLEASE READ CAREFULLY

This document contains important information regarding the Processing of your Personal Data as a Stakeholder of the 26th World Scout Jamboree 2027 in Poland during the Planning Stage of the event. It indicates the organisations responsible for Processing Personal Data and explains the purposes for which such data are Processed, as well as the applicable modalities and conditions. This notice also explains how you can exercise your rights under applicable data protection laws.

Your Personal Data will be used only as necessary to achieve the purposes set out in this Information Notice. Said purposes and further explanations vary according to your function(s) at the World Scout Jamboree. For this reason, some provisions applicable to some Accredited Persons, Participants for instance, may not apply to you if you are not a Participant. This will be specified below, when possible.

This Information Notice will be supplemented with additional information that will be provided to you, when necessary, if and where a further Processing of your Personal Data not specifically mentioned in the present notice occurs.

The Jamboree Organisation reserves the right to amend this Information Notice, in particular to take account of any change in the applicable law or in case of future needs and will make diligent efforts to inform you of significant modifications. We invite you to visit the following page: <https://jamboree2027.org/personal-data/> to consult the last updates. The date of the last online publication will be displayed at the top of this document.

If you are registering yourself as Head of Contingent, please read this notice carefully and make sure you understand what provisions apply to you. If not, please contact us at dataprotection@wsj2027.pl.

Personal Data Administrator

The Administrator of the personal data is the Organising Committee of the 26th World Scout Jamboree (hereinafter: "Administrator"), with its registered office: 80-823 Gdańsk, ul. Za Murami 2-10. The Administrator can be contacted in writing, by postal mail to the address: 80-823 Gdańsk, ul. Za Murami 2-10 or by e-mail at: dataprotection@wsj2027.pl.

Data Protection Officer

The Administrator, in compliance with legal regulations, has not appointed a Data Protection Officer. The DPO will be appointed before the collection of personal data of national contingents begins.

Legal basis

Personal data are processed on the basis of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation), Act of 10 May 2018 on the Protection of Personal Data (Journal of Laws 2018, item 1000) ("RODO"), and Act of 6 April 1984 on Foundations (Journal of Laws 1984, No. 21, item 97).

Contact

We use your personal data that you have provided when contacting us. The provision of this personal data is necessary in order to be able to make contact.

We use the aforementioned personal data in order to respond to the enquiry you have sent us. We are acting on the basis of our legitimate interest to provide you with contact – Article 6(1)(f) RODO. Personal data will be processed by the Administrator for a period of 5 years, after which the necessity of the data will be reviewed and possibly deleted.

The data does not originate from third parties.

The Administrator does not provide for automated decision-making.

Business contacts and statutory activities

The processing of personal data is carried out for the purpose of exchanging personal data in the context of business contacts and statutory activities of the Administrator, which is primarily the purpose of planning, organising, financing, conducting, and accounting for the 26th World Scout Jamboree in Poland in 2027, in accordance with the terms of the World Scout Jamboree Host Agreement and the Constitution of the World Organization of the Scout Movement.

We are acting on the basis of our legitimate interest – Article 6(1)(f) RODO. Personal data may come from third parties, among others: employees, partners, contractors, customers, authorities, in connection with our business and statutory activities. Personal data will be processed indefinitely.

The administrators do not envisage automated decision-making.

Entities to whom we disclose your personal data

Your personal data will be made accessible to the technical service providers of Administrator and WOSM ("processors" within the meaning of the regulations), for the strict needs of their mission and in accordance with the instructions they receive.

The Administrator may transfer personal data to a third country in connection with the cooperation with the World Organization of the Scout Movement (WOSM).

Where the above-mentioned recipients consider such measure necessary for the Authorised Purposes, they may combine or supplement any of your Personal Data with any other information in their possession. You are invited to consult the websites or other official information sources made available by the above-mentioned recipients for additional information regarding their respective operations and activities and related Processing of your Personal Data which will be Processed in a confidential manner.

In addition, personal data may be disclosed to public authorities on the basis of the law and to entities cooperating with us on the basis of agreements concluded for the entrustment of personal data processing.

Your rights

In relation to our use of your personal data, you may request from us:

- access to your personal data, to obtain confirmation as to whether your personal data is being used, to obtain a copy of your personal data and to obtain information relating to the use of your personal data (Article 15 RODO),
- a copy of your personal data which you yourself have provided to us, and to provide this copy either to you or to an entity designated by you in a commonly used, computer-readable format (Article 20 RODO),
- rectify your personal data if it is incomplete or inaccurate (Article 16 RODO), erasure of all or some of your personal data (Article 17 RODO), if the purpose or legal basis for the use of such data has ceased to exist, e.g. because you have withdrawn your consent or raised a legitimate objection, or if your personal data has been used unlawfully,
- restrict the use of your personal data (Article 18 RODO) for the time necessary to resolve the legitimacy of your request for erasure or rectification of that data or to resolve the legitimacy of your objection or for the time necessary to establish, assert or defend your claims;

You may object to the use of your personal data based on our legitimate interest (Article 21 RODO). As a result of your objection, we will consider whether, for reasons relating to your particular situation, your rights and freedoms take precedence over considerations of protecting the confidentiality of the personal data we process.

You can withdraw the consent you have given for the use of your personal data at any time (Article 7 RODO). The withdrawal of consent does not affect the lawfulness of their use on the basis of consent before its withdrawal.

You have the right to lodge a complaint in relation to the use of your data to the President of the Office for Personal Data Protection 2 Stawki Street, 00-193 Warsaw, Poland. You may lodge a complaint electronically, in writing or orally into the minutes at the office of the President of the Office.

Changes to the Privacy Policy

We may amend and supplement the Privacy Policy as required. We will inform you of any changes or additions by posting relevant information on our websites, and in the case of significant changes we will inform you directly at the indicated e-mail address.

A2 TERMS AND CONDITIONS

1 Introduction

The 26th World Scout Jamboree is a World Event of the World Organization of the Scout Movement (WOSM), hosted in Poland by Związek Harcerstwa Polskiego and organised by the 26th World Scout Jamboree Organising Committee (hereinafter: the Jamboree Organisation), which is a statutory party for the 26th World Scout Jamboree. The Jamboree Organisation operates under the Act of 6 April 1984 on Foundations (Journal of Laws 1984, No. 21, item 97) for the purpose of planning, organising, financing, conducting, and accounting for the 26th World Scout Jamboree, in accordance with the terms of the 26th World Scout Jamboree Host Organisation Agreement and the Constitution of the World Organization of the Scout Movement.

2 Age Limits and Participant Definitions

2.1 Age Limits for Participants

Young people aged 14 through 17 at the start day of the Jamboree are eligible to participate in the 26th World Scout Jamboree as youth participants (i.e., those born after 30 July 2009 but not later than on 30 July 2013).

2.2 Age Limit for International Service Team (IST)

Individuals aged 18 and above (those born on or before 30 July 2009) can register to be members of the International Service Team (IST).

2.3 Contingent Management Team (CMT)

Adult volunteers and Contingent Management Team (CMT) members are 18 years and above (those born on or before 30 July 2009). Head of Contingent is part of the CMT.

2.4 Adult Patrol Leaders (APL) and Participants (PAX)

Adult Patrol Leaders are volunteers above 18 years old (those born on or before 30 July 2009) appointed by the National Contingent. They are part of Patrol (and Unit) during the Jamboree and serve as leaders of each 9 youth participants. They take responsibility for their youth participants.

The name participants (PAX) will be used to describe Adult Patrol Leaders and their respective youth participants. When it will be needed to distinguish, they will be referred as Adult Patrol Leaders (APL) or youth participants.

3 National Contingents

3.1 National Contingents

Participation in the 26th World Scout Jamboree is organised through National Contingents. Only National Scout Organizations (NSOs) that are members in good standing with the World Organization of the Scout Movement (WOSM) may apply to attend the 26th World Scout Jamboree. NSOs with multiple National Scout Associations (NSA) will need to collaborate to form a single NSO National Contingent for the Jamboree.

Only NSOs can register contingents and there can only be one National Contingent per NSO. Every individual attending the 26th World Scout Jamboree must be a member of a contingent.

3.2 Forming a Contingent

Each NSO is requested to appoint a Head of Contingent (HOC) and supporting Contingent Management Team as necessary and appropriate to the size of the contingent. It is up to each NSO to organise their contingent and their attendance.

Each National Contingent will be led by a single Head of Contingent (HOC) and will make up participants (PAX: Adults Patrol Leaders and youth participants), members of the International Service Team (IST), and members of Contingent Management Team (CMT).

No contingent may constitute more than 10% of the maximum number of participants approved by the World Scout Committee, with the exception of the country in which the 26th World Scout Jamboree is being held, which may send a contingent constituting up to but not more than 20% of that number.

No contingent may have more adults than participants, with the exception of the country in which the 26th World Scout Jamboree is being held.

The Contingent Management Team is a group of adult leaders who are responsible for taking care of the youth participants and managing the finances, communications, and logistics of the contingent, led by a HOC who's attending the Jamboree. The number of CMT members is limited and based on the number of youth participants in the contingent. A minimum number of CMT is one member for contingents counting to 18 participants and two members for larger contingents. HOC shall not serve as an Adult Patrol Leader nor IST. Details describes the following table:

Number of participants	Number of CMT
1- 18	1 to 2
19 - 36	2 to 3
37 - 72	2 to 5
73 - 144	2 to 8
145 - 288	2 to 14
289 - 576	2 to 22
577 - 1,557	2 to 30

1,558 - 2,304	2 to 40
More than 2,305	Please discuss with the Jamboree Organisation

3.3 Appointment of Head of Contingent

Each NSO is invited to appoint a Head of Contingent to the 26th World Scout Jamboree and submit information to the Jamboree Office by 1 November 2024.

3.4 Patrols and Units

Participants will be registered in patrols of 10 persons (9 youth participants and 1 Adult Patrol Leader). Four patrols will form a unit (36 youth participants and 4 Adult Patrol Leaders).

3.5 IST

The International Service Team is essential to the successful execution of the Jamboree, and NSOs are encouraged to assist the organisers by recruiting suitable adults for the IST. No contingent may have more adults (the total of IST's and CMT's) than participants, except for the host NSO.

3.6 Responsibility of NSOs

Each NSO accepts full responsibility for its members taking part in the 26th World Scout Jamboree. The Head of Contingent and its Contingent Management Team accept full responsibility for the members of their contingent to the Jamboree. The Head of Contingent and his/her Contingent Management Team accept full responsibility for the members of their contingent to the World Scout Jamboree.

4 Registration and Payments

4.1 Registration of the National Contingent

Registration will be based on an electronic registration system.

4.2 Registration Fees

The categories of fees for the 26th World Scout Jamboree have been approved by the World Scout Committee. In order to encourage Scouts from as many countries as possible to participate in the World Scout Jamboree, and to demonstrate World Scouting solidarity, Jamboree fees are discounted by category of country. This approach has been used for previous World Scout Jamborees and is based on the Gross National Income per capita of each country. National Scout Organizations can confirm their category here: <https://treehouse.Scout.org/dashboard/participation-fees>

The fee for participants, APL, IST, and CMT is in Polish Zloty (PLN) and are as follows:

4.3 Fees

Registration Fee	Participants (incl. APL)	IST, CMT
Category A	1600 PLN	1440 PLN

Category B	3200 PLN	2880 PLN
Category C	4800 PLN	4320 PLN
Category D	6400 PLN	5760 PLN

4.4 Registration and Payment Schedule

Due dates	Registration	Payment
1 July 2025	Early Registration Contingent Allocation form (request) to be submitted to the Jamboree Organisation	
1 Aug 2025	Early Registration Contingent Allocation confirmation to be issued by the Jamboree Organisation (invoices issued)	
1 Sep 2025		Early Registration Deposit Due (30%)
1 Nov 2025	Contingent Allocation form (request) to be submitted to the Jamboree Organisation	
1 Dec 2025	Contingent Allocation to be issued by the Jamboree Organisation (invoices issued)	
1 Feb 2026		Contingent Deposit Due (10%) (Not applicable to those who paid the Early Bird Deposit)
1 Apr 2026	Up to 10% adjustment in Contingent Allocation	
1 May 2026		Second Payment Due (20%)
15 May 2026	Personal Data Registration - start date	

1 Nov 2026		Third Payment Due (30%)
1 Jan 2027	Personal Data Registration - end date	
1 Apr 2027		Fourth Payment Due (40%) (Discounted for Early Registrations)

4.5 Contingent Allocation

The allocation numbers for each NSO's contingent will be based on the submitted Contingent Allocation form, which is due no later than 1 November 2025. After reviewing each NSO's request, the actual contingent allocation will be confirmed by the Jamboree Organisation no later than 1 December 2025. This allocation will specify the number of participants, ISTs, and CMTs expected to attend the event, and binding invoices will be issued based on these numbers.

It is strongly advised not to confirm any registrations in the NSO's internal systems before receiving the Contingent Allocation confirmation from the 26th World Scout Jamboree.

4.6 Deposit

Payment of the deposit will guarantee the number of registered participants per contingent. The deposit for each registered person is 10% of the Jamboree Fee or Early Registration Deposit of 30%.

A deposit will be applied to the contingent concerned, not individuals. An amount of 10% of the Regular Fee will not be refunded under any circumstances, including Early Registration. Contingents who do not confirm their allocation with the deposit by 1 February 2026 are at risk of finding limited capacity for their contingent.

4.7 Early Registration Fee

Early Registration Fees are available as detailed in the table below. For the Early Registration Fee, the Contingent Allocation Form must be submitted by 1 July 2025. The Jamboree Organisation will review each NSO's request and in consultation with WOSM confirm the actual contingent allocation no later than 1 August 2025.

To secure the Early Registration Fee, **an Early Registration Deposit of 30% of the regular fee must be transferred by 1 September 2025**, based on the submitted Contingent Allocation Form as confirmed by the Jamboree Organisation. Failure to transfer payments on time will result in invoicing according to the general registration rules, and the discount will not be applied.

Contingents that have paid the Early Registration Deposit will continue with further payments as outlined in section 4.4. The final (fourth) instalment will be reduced to match the Early Registration Fee.

Early Registration Fee (Total)	Participants (incl. APL)	IST, CMT
Category A	1500 PLN	1350 PLN
Category B	3000 PLN	2700 PLN
Category C	4500 PLN	4050 PLN
Category D	6000 PLN	5400 PLN

Early Registration Deposit	Participants (incl. APL)	IST, CMT
Category A	480 PLN	432 PLN
Category B	960 PLN	864 PLN
Category C	1440 PLN	1296 PLN
Category D	1920 PLN	1728 PLN

4.8 Delayed Payment

Any payments received after the invoice payment deadline will incur a 5% service fee. If payments are not received by deadline, that NSO's Contingent Allocation is at risk of cancellation, even if deposits have been made and late fees assessed.

The 26th World Scout Jamboree reserves the right to cancel or adjust the allocation of any NSO that is not meeting the deadlines of the published payment schedule.

4.9 Contingent Allocation Adjustments

Accurate allocation request ensures a healthy Jamboree budget. Once the initial allocation request is submitted and approved, NSOs may request a one-time of maximum 10% adjustment in approved Contingent Allocation.

4.10 Permission of Participation

Permission of Participation will be granted by the Jamboree Organisation only when all necessary procedures, including payment of the full fee, have been completed by the contingent. Any paperwork, including visa invitations, will only be processed after such procedures are completed.

4.11 Remittance of Fee

Each NSO will collect fees from their participants for the 26th World Scout Jamboree. The NSO will then make a single payment for the entire contingent to the Jamboree Organisation. Payments from national contingents must not be made by or through individuals.

All fees are payable to the Jamboree Organisation on or before the indicated due date(s) and must be remitted in Polish Zloty (PLN).

Fees should be transferred to the bank account provided by the Jamboree Organisation. Please note that each National Contingent will be assigned an individual account number to facilitate the monitoring of payments.

Please note the following when conducting bank transfers:

- Each transfer must include both the name of the NSO and a reference to its purpose (for example "Deposit for 100 persons").
- National Contingents need to inform the Jamboree Organisation of every transfer that is made, including the date it was sent, the bank from which it was sent, any reference information included, and the amount intended the 26th World Scout Jamboree to receive.
- The amount credited to the NSO will be the net of any bank charges applied by the NSO's bank AND the 26th World Scout Jamboree's bank upon receipt of the transfer.
- When following the payment schedule, please ensure sufficient time for bank transfers to be credited to the 26th World Scout Jamboree account according to the dates shown.
- All payments must be made in Polish Zloty (PLN).

4.12 Refunds

Deposits and late surcharge paid will not be refunded under any circumstances. The sum of any refunds given may not exceed the actual sum paid to the 26th World Scout Jamboree.

The Jamboree Organisation will not refund any fee, with the exception of Section 5 and for those who are denied visas to Poland (only after submitting supporting documentation that person applied timely and provided the proper forms).

5 Cancellation

5.1 Force Majeure Cancellation

The Jamboree Organisation may cancel the event due to compelling reasons.

In the event of the 26th World Scout Jamboree being cancelled due to circumstances beyond the organisers control - called Force Majeure - the Jamboree Organisation will not be obliged to refund any fees. In such situations, however, after the costs incurred have been covered, and accounts have been closed, the Jamboree Organisation shall reimburse the National Contingent's remaining part of the fee paid.

Force Majeure is interpreted as an event of a sudden and unexpected nature, related but not limited to the epidemics or pandemic of infectious diseases, acts of executive and legislative authority, including acts of authority of a state other than the Republic of Poland or the acts of the authorities of international organisations, including in particular those of state authorities, as well as disorders of collective life (e.g. riots, acts of terror, war, state of emergency, strike, etc.) the consequence of which is or may be the difficulties or inability to organise the 26th World Scout Jamboree, caused (among other things) by limitation the entry of participants of the 26th World Scout Jamboree into the territory of the Republic of Poland, restrictions related to the organisation of mass gatherings, the withdrawal of participants in the event due to concern for health, life or guidelines and advices of state or international authorities and organisations.

5.2 Cancellation by Decision of the World Scout Committee

If the World Scout Committee, acting on behalf of the World Scout Conference, makes a final and enforceable decision to cancel the World Scout Jamboree, the registration fees will be refunded to the contingents after deducting any costs already incurred and contracted, as well as any contractual penalties and other dues that the Jamboree Organisation is obligated to pay.

5.3 After Arrival Cancellation

The 26th World Scout Jamboree fee will not be refunded should the event be cancelled after 1 July 2027, regardless of the reason.

5.4 Insurance for Event Cancellation

The Jamboree Organisation will obtain cancellation insurance for the event, in case unforeseen events necessitate the cancellation of the 26th World Scout Jamboree. The cancellation insurance does not provide cover for costs such as travel, equipment, or pre- and post- Jamboree activities, which are external to the 26th World Scout Jamboree fee. It is therefore recommended that NSOs obtain their own insurance cover for these elements. National Contingents should also note that any event beyond the Jamboree Organisation control such as acts of terrorism and natural disasters, are not covered by the insurance. It is not possible to guarantee that the insurance covers the fees paid by the NSOs.

6 What the Jamboree Fee Covers

6.1 Participant Fees:

- All campsite fees from the day of arrival on 29 July 2027, to the departure on 9 August 2027.
- The Jamboree programme, including relevant transportation for the programme activities.
- Breakfasts, packed lunches and dinners for the duration of the Jamboree, from dinner on 29 July 2027, to breakfast on 9 August 2027 and appropriate access to drinking water at all times.
- Upon arrival, transport from one of the specified Jamboree official entry points in Poland.
- At the end of the Jamboree, transport from the site to a specific Jamboree official exit point.
- Joint unit equipment (i.e. cooking tent and equipment). No personal equipment will be provided (i.e., tents, cots, sleeping bags, etc.).
- Medical care in case of illness (excluding pre-existing conditions) or accidents, including minor surgery or treatment, if necessary, for the during of the Jamboree. Medications and any expenses related to specialized care or hospitalization are NOT included in the fee.

- A Jamboree participation kit, including an official Jamboree scarf and badge.

6.2 IST/CMT Fees:

- All campsite fees from the day of arrival on 27 July 2027, to the departure on 10 August 2027.
- Briefing and training, including role-specific training, before the arrival of participants
- Breakfasts, packed lunches and dinners for the duration of the Jamboree, from dinner on 27 July 2027, to breakfast (with packed lunch) on 10 August 2027 and appropriate access to drinking water at all times.
- Upon arrival, transport from one of the specified Jamboree entry points.
- At the end of the Jamboree, transport from the Jamboree site to a specified Jamboree exit point.
- No personal equipment will be provided (i.e. tents, cots, sleeping bags, etc.)
- Medical care in case of illness (excluding pre-existing conditions) or accidents, including minor surgery or treatment, if necessary, for the duration of the Jamboree. Medications and any expenses related to specialized care or hospitalization are NOT included in the fee.
- A programme of activities for when off-duty, and a participation kit including a scarf and badge.

7 Healthcare

7.1 Scope of the Healthcare Provided

Participants of the 26th World Scout Jamboree will have access to the event's own medical facilities from the time of arrival to the Jamboree Site to the time of departure from the Jamboree Site. Note, however, that pre-existing conditions are excluded.

7.2 Medical Services

Medical facilities at the 26th World Scout Jamboree Site are merely provisional facilities focusing on first aid and pre-hospital care. Any further treatment required will be provided at local medical facilities. The 26th World Scout Jamboree fee does not cover clinical examination and/or treatment (e.g. suspected fractures, treatment requiring hospitalisation, etc.) and each individual is responsible for any expenses incurred by such treatment and/or hospitalisation. Therefore, everyone attending the 26th World Scout Jamboree is required to obtain insurance to cover such an eventuality, and it is the responsibility of the Head of Contingent to ensure such insurance has been obtained.

7.3 Travel Insurance

It is recommended that you obtain appropriate insurance cover, such as a travel insurance for such as a travel insurance for the period prior to arrival at the start of the 26th World Scout Jamboree and until the finish of the event, in addition to the medical insurance.

7.4 Pre-Existing Conditions

Those with pre-existing medical conditions should make special arrangements so as to be able to pay for any treatment related to such conditions.

7.5 Repatriation

The 26th World Scout Jamboree medical arrangements are based on providing treatment in Poland and do not include repatriation, whether for medical or other reasons. It is recommended you obtain your own insurance to cover such an eventuality.

8 Rules

8.1 Jamboree Regulations

The Jamboree Organisation in alignment with WOSM Guidelines and Policies will set regulations for all people attending the Jamboree. These regulations will be summarised and published as a Code of Conduct.

8.2 Safe from Harm

The safety of all participants is the highest priority for the World Scout Jamboree. All adult participants will be required to take Safe from Harm training prior to attending the event. The Jamboree will comply with WOSM standards for Safe from Harm.

8.3 Local Laws

The Jamboree takes place in Poland, and local laws apply. According to Polish law, the legal age of adulthood is 18. This age requirement also applies to purchasing tobacco, alcohol, and energy drinks containing more than 150 mg/l of caffeine or taurine, excluding naturally occurring substances. However, please note that the 26th World Scout Jamboree is an alcohol-free event.

8.4 Penalties and Expulsion

Anyone in breach of the 26th World Scout Jamboree regulations, code of conduct, Safe from Harm standards, or local laws may be evicted from the event at any time. Anyone - including guests and visitors - behaving in a manner considered dangerous, which causes offense to others, or is otherwise inappropriate in the context of the World Scout Jamboree, will be evicted from the Jamboree Site and will not be eligible to any refund of fees.

The Jamboree Organisation reserves the right to exclude any group or individual from the Jamboree site and, whenever appropriate, the Head of Contingent will be involved in such a decision. Any expenses arising from the exclusion or eviction of such groups or individuals will be the responsibility of the individuals involved, and complaints or requests for compensation will not be considered.

9 Personal Data Protection

9.1 Collection and Management of Personal Information

To successfully organise and execute the World Scout Jamboree, the Jamboree Organisation must gather and retain certain personal data relating to all attendees.

By registering personal information, including but not limited to name and date of birth, the individual explicitly consents to the retention of the personal data for the purposes pertaining to the organization and execution of the 26th World Scout Jamboree. Registration also implies explicit agreement with the Terms and Conditions of the 26th World Scout Jamboree and 26th World Scout Jamboree Policies.

If you enter data on behalf of another (as a proxy), it is assumed that you will have obtained their consent for the Jamboree to retain their personal data. The Jamboree Organisation assumes that a proxy will

have received explicit, prior agreement from the individual concerned. The proxy is responsible for the agreement of this individual.

Any personal information retained will not be shared with any third parties, except where necessary for the planning and execution of the 26th World Scout Jamboree. A Personal Data Processing/ Administration Agreement will be concluded with all the National Contingents participating in the 26th World Scout Jamboree prior to the registration of individual participants.

9.2 Talent Release

By registering for the 26th World Scout Jamboree, individuals consent to any media footage (e.g. video, photographs, audio, etc.) taken at the Jamboree and in which they may feature, to be used by the Jamboree Organisation, the World Organization of the Scout Movement, as well as its licensees or assignees, for all advertising, publicity, and/or editorial purposes, for commercial and/or non-commercial purposes, for worldwide distribution in perpetuity.

10 By-Laws

10.1 Jurisdiction

The 26th World Scout Jamboree and these Terms and Conditions are governed by Polish Law. In any conflict relating to these Terms and Conditions, Polish law shall apply, and the Gdańsk-Północ District Court shall have exclusive jurisdiction in any disputes.

The 26th World Scout Jamboree does not constitute a tourist service nor travel package within the meaning of the Act of 24 November 2017 on travel packages and related travel services (Journal of Laws, item 2361), which implements in the Polish legal system the provisions of Directive 2015/2302/EU of the European Parliament and of the Council of 25 November 2015 on tourist events and related travel services, amending Regulation (EC) No 2006/2004 and Directive 2011/83/EU of the European Parliament and of the Council and repealing Council Directive 90/314/EEC.

10.2 Updates

The Jamboree Organisation reserves the right to amend these Terms and Conditions, in particular to take account of any change in the applicable law or in case of future needs and will make diligent efforts to inform you of modifications. The most recent version will always apply. Please contact the Jamboree Office for any necessary clarification.

10.3 Languages

In the event of a conflict arising out of the interpretation of these Terms and Conditions, the English text shall prevail.
